Guide To Toledo Spain:

Complete Guide to Toledo Paul Den Arend, 2016-07-28 Toledo is one of the highlights of any visit to the center of Spain. It is perfect for a daytrip from Madrid or to use as a base to discover the surroundings. The city itself is absolutely spectacular. There are many things to see in the city and this guidebook shows you all the highlights. I'll take you on an extensive tour of the city center including the mighty cathedral filled with artworks. I'll show you some of the places I like most like the beautiful painting of the funeral of the count of Orgaz by El Greco in the Santo Tome church and the Santa Maria la Blanca the former Synagogue that looks like a mosque. But there is just so much more. No visit to Toledo is complete without having a look inside the San Juan de los Reyes with its peaceful courtyard. In this guidebook I will show you all this and much more. I'll tell you all the interesting stories about the buildings, squares and churches. Enjoy your stay in Toledo.
