range of archival sources he explains the rise of this new paradigm of government and how it shaped politics in Britain and Germany well beyond the First World War The book offers a wealth of local examples that explain how ideologies and perceptions of the enemy within shaped the use of repressive emergency powers by politicians police and military It also traces how the critique and resistance against these measures helped to establish civil liberties as a new field of political activism In essence Keil offers a unique perspective on German and British politics during the First World War and tests the notion of the war being a laboratory for the state of exception *The Survey* ,1942 *Unveiling the Great War: A Comprehensive Guide to World War I* Pasquale De Marco,2025-05-08 World War I was one of the most significant conflicts in human history shaping the course of the 20th century and beyond In this comprehensive guide Pasquale De Marco provides a detailed and accessible account of the war from its origins to its aftermath Drawing on the latest scholarship Pasquale De Marco explores the complex causes of the war including the rise of nationalism imperialism and militarism The author also examines the key events of the war from the assassination of Archduke Franz Ferdinand to the armistice of November 11 1918 *Unveiling the Great War A Comprehensive Guide to World War I* provides a balanced and objective account of the war considering the perspectives of all the major belligerents The author also explores the impact of the war on civilians both at home and on the front lines In addition to providing a detailed narrative of the war Pasquale De Marco also examines the war's long term consequences The author discusses the Treaty of Versailles the rise of fascism and Nazism and the outbreak of World War II *Unveiling the Great War A Comprehensive Guide to World War I* is an essential resource for anyone who wants to understand World War I The book is written in a clear and engaging style and it is packed with maps illustrations and photographs *Unveiling the Great War A Comprehensive Guide to World War I* is the perfect introduction to this fascinating and complex conflict If you like this book write a review on google books *Journal of the American Association of University Women* ,1941 **Gale Researcher Guide for: Overview of World War I and Its Aftermath** Tamara Venit Shelton,2018-09-28 Gale Researcher Guide for Overview of World War I and Its Aftermath is selected from Gale's academic platform Gale Researcher These study guides provide peer reviewed articles that allow students early success in finding scholarly materials and to gain the confidence and vocabulary needed to pursue deeper research
