Financial Accounting in an Economic Context, Study Guide Jamie Pratt, 2010-12-08 Grounded in financial statements Financial Accounting allows accountants to see not only the impact of financial transactions in financial statements but also the impact of transactions on overall business decisions The eighth edition offers new elements designed to sharpen Pratt's economic decision making foundation with a more timely real world focus Up to date expanded and detailed IFRS coverage is now included The SEC 2014 roadmap is explored in all chapters Comprehensive coverage of real world financial crisis issues is presented Accountants will also find more discussions on the increasing role of management's assessment of internal controls over financial reporting Cambridge International AS and A Level Economics Revision Guide Susan Grant, 2016-12-15 The Cambridge International AS A Level Economics Revision Guide helps students apply their knowledge understanding and skills to succeed in their course This endorsed Cambridge International AS and A Level Economics Revision Guide has been designed to further develop students skills for their Cambridge International AS and A Level Economics course Revised to meet the latest syllabus 9708 this book is packed full of guidance to reinforce students understanding and skills to succeed in their course Written in a clear style by an experienced examiner this Revision Guide is perfect for international learners and accompanies the Cambridge International AS and A Level Economics Coursebook third edition **Japanese War Crimes and Related Topics: A Guide to Records at the National Archives** United States. National Archives and Records Administration, 2007 This finding aid will help researchers interested in Japanese war crimes war criminals and war crimes trials to navigate the vast holdings of the U S National Archives and Records Administration at College Park NARA It will also be useful to anyone interested in military intelligence political diplomatic economic financial social and cultural activities in the Far East during 1931 1951 as well as to those searching for information regarding Allied

prisoners of war the organization functions and activities of American and Allied agencies and the Japanese occupation of countries and the American occupation of Japan While not aimed at researchers interested in the strategic and tactical military and naval history of the war in the Far East this finding aid may nevertheless be useful to those with such interests if only to identify record groups and series of records that may bear on those topics This finding aid covers records from over twenty record groups and includes materials declassified under the Japanese Imperial Government Disclosure Act of 2000 P L 106 567 as well as records that were never classified and those declassified before the passage of the Disclosure Act Because the process of identifying declassifying accessioning and processing of records under the Act is taking place as this finding is being compiled late arriving records may not be identified in this finding aid Researchers should consult the IWG Web site <http://www.archives.gov/iwg> for a complete and up to date list of records declassified under the Japanese Imperial Government Disclosure Act Federal agencies involved in the identification and declassification of relevant classified records ascertained that there were relatively few pertinent records that were still classified Most relevant records were either never classified or were declassified decades before the Act and were already in NARA s custody While this finding aid s coverage is broad it is not comprehensive Researchers may find other relevant series of records within the record groups mentioned or not mentioned Researchers are encouraged to use other finding aids and consult with NARA staff to locate records of interest In addition the National Archives at College Park holds nontextual records such as still photographs and motion pictures that researchers may want to examine Other NARA facilities hold many records and donated material related to World War II including records related to the subjects covered in this finding aid This is particularly true of the Franklin D Roosevelt the Harry S Truman and the Dwight D Eisenhower archives as vast mountain ranges of records with the archivists guiding the expeditions Explorations on familiar well trodden paths produce new perspectives when examined with fresh eyes and imagination
