

drawbacks. The emphasis on rules and procedures can stifle creativity and innovation, and the hierarchical structure can lead to slow decision-making and a lack of responsiveness to changing circumstances. Additionally, the impersonal nature of bureaucratic organizations can create a sense of alienation and disengagement among employees.

Despite the criticisms, bureaucratic organizations remain a prevalent model in many sectors, particularly in government and large corporations. They offer a structured and systematic approach to managing complex tasks and ensuring accountability. However, the challenge for bureaucratic organizations is to balance the need for efficiency and control with the need for flexibility, innovation, and employee engagement.

### Questions:

- What are the key characteristics of bureaucratic organizations?
- What are the goals of bureaucratic organizations?
