## **Guided The Home Front:**

Home/Fronts Janina Wierzoch, 2020-03-03 In recent years the US led invasions of Afghanistan and Iraq have had an impact on the UK rivalled only by Brexit and the global financial crisis For people at home the wars were ever present in the media yet remained distant and difficult to apprehend Janina Wierzoch offers an analytical survey of British contemporary war narratives in novels drama film and television that seek to make sense of the experience The study shows how the narratives instead of reflecting on the UK's role as invader portray war as invading the British home Home loses its post Cold War sense of permanent peace and is recast as a home front where war once again becomes part of what it means to be us

Home Front U.S.A. Allan M. Winkler, 2014-08-04 New scholarship on World War II continues to broaden our understanding With each passing year we know more about the triumphs and the tragedies of America's involvement in the momentous conflict Tapping into this greater awareness of the accomplishments of both soldiers and civilians and a better recognition of the consequences of decisions made Allan Winkler presents the third edition of his highly popular series volume Informed by the latest historical literature and featuring many new thoughtfully chosen photographs the third edition of Home Front U S A continues to ponder the question of the good war the moral implications of the use of the atomic bomb the implications of expanding wartime roles for women African Americans American Jews the imprisonment of Japanese Americans at the hands of the federal government and the experiences of the many other people who though relegated to the fringe of mainstream society contributed in important ways to the nation's successful prosecution of its greatest challenge

**The American Homefront During WWII** C D Peterson, 2024-09-30 Captures the transformation of America during WWII, highlighting daily life, wartime economy, and the profound patriotism that united the nation. Don't you know there's a war on. Use it up. Wear it out. Make it do. Or do without. Loose Lips Sink Ships. Any Bonds Today. Remember Pearl Harbor. Those were the slogans Americans called out to each other on the home front during WWII. They forged their days surrounded by fellow patriots sharing in the greatest endeavor of their lives: winning the war. The American Home Front in WWII presents the striking story of those times, starting with little-known events well before Pearl Harbor, the clashes between isolationists and those favoring intervention, and America's first peacetime draft. The shock of Pearl Harbor transformed America from a peacetime country to a full wartime economy. Factories produced an airplane every sixty-one minutes. Women and Blacks entered the workforce as never before, bringing about earthshaking changes. Americans describe in their own words the rigors of everyday life: rationing, air raid drills, rigging up black curtains, and scrap drives. But Americans found ways to enjoy themselves: movie attendance swelled with films such as *Casablanca*, while Broadway brought audiences *Oklahoma!* The music of Glen Miller and the voice of a skinny newcomer named Frank Sinatra had Americans swinging and swooning. The American Home Front in WWII brings this story to life to capture the extraordinary level of patriotism and teamwork on the home front. It truly was a time when there were no strangers.

**A Guide to War Publications of the First & Second World War** Arthur Ward, 2015-02-28 A fascinating guide to war propaganda of WWI and WWII, from Loose Lips Sink Ships to Keep Calm and Carry On. Includes vintage images. *Firetrench: A Guide to War Publications of the First Second World War* is devoted to the printed ephemera that was designed to educate, instruct, inform, and entertain during the first and second World Wars. This includes soldiers' Field Regulations, updates airmen received about airborne early warnings, bomb sights, and radio navigation, and materials sailors were given to help them identify enemy aircraft and operate new weapons on submarines. This comprehensive guide illustrates the large amount of material produced during the war by looking at encouraging wartime sayings such as Go To IT, Come Into The Factories, Keep Calm and Carry On, Dig for Victory, Lend A Hand on the Land, and Walk When You Can. While showing how other messages warned of consequences to irresponsible behavior: Careless Talk Cost Lives, Loose Lips Sink Ships, Keep It Under Your Hat, and Be Like Dad, Keep Mum. Arthur Ward gives information on what propaganda was produced, what items are still available, and where to find them, and how to conserve and store vintage printed items.
