Greene Jacob Klein and Benardete's mentor Leo Strauss We also encounter a number of other learned devoted and sometimes eccentric luminaries including T S Eliot James Baldwin Werner Jaeger John Davidson Beazley and Willard Quine In the book's second part Benardete reflects on his own intellectual growth and on his ever evolving understanding of the texts and ideas he spent a lifetime studying Revisiting some of his recurrent themes among them eros and the beautiful the city and the law and the gods and the human soul Benardete shares his views on thinkers such as Plato Homer and Heidegger as well as the relations between philosophy and science and between Christianity and ancient Roman thought Engaging and informative Encounters and Reflections brings Benardete's thought to life to enlighten and inspire a new generation of thinkers
