KANTIAN AND UTILITARIAN VIEWS ON ABORTION

LO: To explore the Kantian and Utilitarian views on abortion.

SUCCESS

- To consider what Kantian and Utilitarianism say on the topic of abortion.
- To compare and contrast the two ethical theories on the topic of abortion.
- To evaluate the Kantian and Utilitarian views on abortion.

Kantian Ethics On Abortion

Helga Varden

Kantian Ethics On Abortion:

Kantian Ethics, Dignity and Perfection Paul Formosa, 2017-08-10 A clear and original perspective on Kantian ethics that focuses on the dignity vulnerability and perfectibility of human rational agency Kantian Perspectives on Issues in Ethics and Bioethics Lina Papadaki, 2019-05-07 This book provides an analysis of major ethical and bioethical issues like euthanasia suicide organ commerce and donation sexual objectification and abortion from the perspective of Kant's moral theory It deals with questions such as Is the person who decides to commit suicide autonomous Is euthanasia compatible with respect for humanity and dignity Can a person's choice to sell one of her kidneys be free Does the prostitute reduce herself to a mere sexual object through satisfying her clients desires Can the fetus potential for rational agency constitute an argument against abortion Without doubt Kant's is one of the most important moral theories The task of applying it to issues that concern us today leaves us with a sense of satisfaction that it has a lot to offer to contemporary philosophical thought Understanding Kant's Ethics Michael Cholbi, 2016-11-17 A systematic guide to Kant's ethical work and the debates surrounding it accessible to students and specialists alike **Kant and Applied Ethics** Matthew C. Altman, 2014-08-11 Kant and Applied Ethics makes an important contribution to Kant scholarship illuminating the vital moral parameters of key ethical debates Offers a critical analysis of Kant's ethics interrogating the theoretical bases of his theory and evaluating their strengths and weaknesses Examines the controversies surrounding the most important ethical discussions taking place today including abortion the death penalty and same sex marriage Joins innovative thinkers in contemporary Kantian scholarship including Christine Korsgaard Allen Wood and Barbara Herman in taking Kant's philosophy in new and interesting directions Clarifies Kant's legacy for applied ethics helping us to understand how these debates have been structured historically and providing us with the philosophical tools to address them **Autonomy and Community** Jane Kneller, Sidney Axinn, 1998-01-01 Shows how Kant's basic position applies to and clarifies present day problems of war race abortion capital punishment labor relations the environment and marriage Kantian Ethics Almost without Apology Marcia W. Baron, 2018-10-18 A reappraisal on the emphasis on duty in Immanuel Kant's ethics is long overdue Marcia W Baron evaluates and for the most part defends Kantian ethics against two frequent criticisms that duty plays too large a role leaving no room for the supererogatory and that Kant places too much value on acting from duty The author first argues that Kant's distinction between perfect and imperfect duties provides a plausible and intriguing alternative to contemporary approaches to charity self sacrifice heroism and saintliness She probes the differences between the supererogationist and the Kantian exploring the motivation between the former's position and bringing to light sharply divided views on the nature of moral constraint and excellence Baron then confronts problems associated with Kant's account of moral motivation she argues that the value that Kant attaches to acting from duty attaches primarily to governing one's conduct by a commitment to doing what morality asks Thus understood Kant's ethics steers clear of the most serious criticism Of special interest is her discussion of

overdetermination Clearly written and cogently argued Kantian Ethics Almost without Apology takes on the most philosophically intriguing challenges to Kantian ethics and subjects them to a rigorous yet sympathetic assessment Readers will find here original contributions to the debate over impartial morality Ethics in Health Services and Policy Dean M. Harris, 2011-03-03 This comprehensive textbook analyzes the ethical issues of health and health care in global perspective Ideal for students of public health medicine nursing and allied health professions public policy and ethics the book helps students in all these areas to develop important competencies in their chosen fields Applying a comparative or multicultural approach the book compares different perspectives on ethical issues in various countries and cultures such as informed consent withholding or withdrawing treatment physician assisted suicide reproductive health issues research with human subjects the right to health care rationing of limited resources and health system reform Applying a transnational or cross border approach the book analyzes ethical issues that arise from the movement of patients and health professionals across national borders such as medical tourism and transplant tourism ethical obligations to provide care for undocumented aliens and the brain drain of health professionals from developing countries Comprehensive in scope the book includes selected readings which provide diverse perspectives of people from different countries and cultures in their own words Each chapter contains an introductory section centered on a specific topic and explores the different ways in which the topic is viewed around the globe Ethics in Health Services and Policy is designed to promote student participation and offers methods of activity based learning including factual scenarios for analysis and discussion of specific ethical issues *From Dawn till Dusk* Evangelos D. Protopapadakis, 2019-11-15 From Dawn till Dusk embraces the conceptual challenges often associated with Bioethics by taking the reader on a journey that embodies the circle of life and what it means to be human The beginning and the end of life have always been an impossible riddle to humans Bioethics does not aspire to unveil utter truths regarding the purpose of our existence on the contrary its task is to settle controversial issues that arise within this finite very fragile and vulnerable life yet a life we still have to live This book discusses thorny ethical issues that transcend time and are related to the dawn and the dusk of life abortion and infanticide genetic engineering human reproductive cloning the fear of death rational suicide and the right to die The book's highest aspiration though is to both provide the reader with an opportunity to see the world from different perspectives and to showcase the irresistible charms of bioethical debates This book brings contemporary issues in bioethics into conversation with different philosophical views both ancient and modern The result is a rewarding and very readable discussion on a range of important questions about life and death Peter Singer Princeton University University of Melbourne Evangelos D Protopapadakis book is a philosophically rich discussion of major topics in bioethics about issues of life and death The work is original and important I believe the author is correct to argue that the central issues of bioethics at its core in these areas should be understood as moral in nature and should not be framed as principally legal or scientific Tom L Beauchamp Georgetown University Bioethics is in philosophical

terms a new field But it builds on centuries of thought on the human condition the meaning of life and the fundamental ethical question What should we do Evangelos D Protopapadakis masterful volume traces modern bioethical debates with all their increasing scientific complexity back through ancient and modern philosophical thought The result is a sparkling and engaging journey through the history of ideas and the current ethical challenges at the beginning and end of life Julian Savulescu Uehiro Chair in Practical Ethics University of Oxford As the Head of the Greek Unit of the Chair but also as an ethicist and a bioethicist Professor Protopapadakis has never been weary to contribute to philosophically nuanced bioethical debates This inspiring book is the manifestation of his attitude towards Bioethics Amnon Carmi Holder of the UNESCO Chair in Bioethics Haifa This book presents important connections between current positions and classical approaches in ethics written in a lively way Hans Werner Ingensiep Universit t Duisburg Essen Evangelos Protopapadakis book provides nuanced insights describing the complex ethical problems which clinicians and society must address This creative analysis incorporates ancient and contemporary historical examples to illuminate the disparate arguments used to justify conflicting philosophical responses Susan M Miller MD MPH **AQA Religious Ethics for AS and A2** Jill Oliphant,2011-03-17

Structured directly around the specification of the AQA this is the definitive textbook for students of Advanced Subsidiary or Advanced Level courses It covers all the necessary topics for Religious Ethics in an enjoyable student friendly fashion Each chapter includes a list of key issues AQA specification checklist explanations of key terminology helpful summaries self test review questions exam practice questions To maximise students chances of exam success the book contains a section dedicated to answering examination questions It comes complete with lively illustrations a comprehensive glossary full bibliography and a companion website **OCR Religious Ethics for AS and A2** Jill Oliphant,2014-06-27 Structured directly around the specification of the OCR this is the definitive textbook for students of Advanced Subsidiary or Advanced Level courses The updated third edition covers all the necessary topics for Religious Ethics in an enjoyable student friendly fashion Each chapter includes a list of key issues OCR specification checklist explanations of key terminology overviews of key scholars and theories self test review questions exam practice questions To maximise students chances of success the book contains a section dedicated to answering examination questions It comes complete with diagrams and tables lively illustrations a comprehensive glossary and full bibliography Additional resources are available via the companion website

Sex, Love, and Gender Helga Varden,2020-05-27 Sex Love and Gender is the first volume to present a comprehensive philosophical theory that brings together all of Kant s practical philosophy found across his works on ethics justice anthropology history and religion and provide a critique of emotionally healthy and morally permissible sexual loving gendered being By rethinking Kant s work on human nature and making space for sex love and gender within his moral accounts of freedom the book shows how despite his austere and even anti sex cisist sexist and heterosexist reputation Kant s writings on happiness and virtue Part I and right Part II in fact yield fertile philosophical ground on which we can explore

specific contemporary issues such as abortion sexual orientation sexual or gendered identity marriage trade in sexual services and sex or gender based oppression Indeed Kant s philosophy provides us with resources to appreciate and value the diversity of human ways of loving and the existential importance of our embodied social selves Structured on a thematic basis with introductions to assist those new to Kant s philosophy this book will be a valuable resource for anyone who cares about these issues and wants to make sense of them *Privacy, Security and Accountability* Adam D. Moore,2015-12-02 What is the appropriate balance between privacy security and accountability What do we owe each other in terms of information sharing and access Why is privacy valuable and is it more or less important than other values like security or free speech Is Edward Snowden a hero or villain Within democratic societies privacy security and accountability are seen as important values that must be balanced appropriately If there is too much privacy then there may be too little accountability and more alarmingly too little security On the other hand where there is too little privacy individuals may not have the space to grow experiment and engage in practices not generally accepted by the majority Moreover allowing overly limited control over access to and uses of private places and information may itself be a threat to security By clarifying the moral legal and social foundations of privacy security and accountability this book helps determine the appropriate balance between these contested values Twelve specially commissioned essays provide the ideal resource for students and academics in information and applied ethics *My Revision Notes: OCR AS Religious Studies: Religious Ethics* Jill Oliphant,2013-02-22 Unlock your full potential with this revision guide which provides both the key content you need to know and guidance on how to apply it for better grades My Revision Notes OCR AS Religious Studies Religious Ethics helps you to stay motivated and focused during your revision and gives you the opportunity to practise and refine your skills to achieve the best grade in your exam Breaks down all topics into short sections easy to read and revise from Exam style practice questions help confidence with the exam Concise notes clear layout and colourful features keep you engaged You can check your learning with the test yourself questions and tick box design *The Ethics of Abortion* Robert M. Baird,Stuart E. Rosenbaum,2001 Twenty four essays and four excerpts from important Supreme Court decisions present information on the history of abortion before Roe vs Wade the issue of abandoned infants and abortion in relation to feminism Christianity and the Constitution **New Perspectives in Philosophy of Education** David Lewin,Alexandre Guilherme,Morgan White,2014-10-23 New Perspectives in Philosophy of Education seeks to build a bridge between philosophical reflection and socio political action by developing a range of critical discussions in the areas of ethics politics and religion This volume brings together established authorities and a new generation of scholars to ask whether philosophy of education can contribute to political and social discourse or whether it is destined to remain the marginal gadfly of mainstream ideology The philosophy of education stands in danger of becoming a neglected field at precisely the moment we need to be able to reflect upon the increasingly apparent costs of the technocratic attitude to education While many of the educational policy discussions of recent years seem far reaching and

radical critical debate surrounding these initiatives remain largely at a populist level New Perspectives in Philosophy of Education provides contemporary responses to philosophical issues that bear upon educational studies policies and practices contributing to the debate on the role of philosophy of education in an increasingly fractured intellectual milieu **Pro-Life, Pro-Choice** Bertha Manninen, 2014-07-01 In this provocative and accessible book the author defends a pro choice perspective but also takes seriously pro life concerns about the moral value of the human fetus questioning whether a fetus is nothing more than mere tissue She examines the legal status of the fetus in the recent Personhood Amendments in state legislatures and in Supreme Court decisions and asks whether Roe v Wade should have focused on the viability of the fetus or on the bodily integrity of the woman Manninen approaches the abortion controversy through a variety of perspectives and ethical frameworks She addresses the social circumstances that influence many women's decision to abort and considers whether we believe that there are good and bad reasons to abort Manninen also looks at the call for post abortion fetal grieving rituals for women who desire them and the attempt to make room in the pro choice position for the views of prospective fathers The author spells out how the two sides demonize each other and proposes ways to find degrees of convergence between the seemingly intractable positions *Cutting Through the Surface*, 2009-01-01 This book examines the role of philosophy and philosophers in bioethics Academics often see bioethical studies as too practical while decision makers tend to see them as too theoretical The purpose of this collection of new essays by an international group of distinguished scholars is to explore the troubled relationship between theory and practice in the ethical assessment of medicine health care and new medical and genetic technologies The book is divided into six parts In the first part philosophers consider the definition of bioethics the nature of applied ethics more generally and the possibility of combining utilitarian and liberal strands of thinking in moral and political studies In the second part authors discuss the place and justification of principles in bioethics and the significance of medical and nursing experience in moral decision making The third part addresses the complementary or contradictory as the case may be principles of dignity autonomy precaution and solidarity and their use in theoretical and practical settings In the fourth part public health measures and experimental research are defended against traditional moral concerns Part five scrutinizes parental responsibilities in bearing and rearing children especially the reasons for and against human reproduction in individual cases In part six enhancements to human nature by various means are analyzed Following in the footsteps of four previous collections in the Values in Bioethics special series by the same editorial team *Scratching the Surface of Bioethics* Bioethics and Social Reality Ethics in Biomedical Research and Arguments and Analysis in Bioethics this book compiled in honor of Professor Matti Häyry's 50th birthday drills into the core of the discipline to show the philosophical depths that lie under the polished surface of policy driven everyday bioethics *Practical Kantian Ethics* Donald Wilson, 2025-04-24 Reversing the usual order of interpretation Donald Wilson reinterprets Kant's moral theory through his later practical works offering a new inner freedom account

informing obscure aspects of Kant's formal moral philosophy and the practical focus of ideals of proper respect. This account transcends the narrow rational asceticism often associated with Kant's view, embedding morality in our humanity, recognizing the vital role of emotion in moral life and prioritizing framing moral commitments and questions of character over obedience to formal rules. In doing so, it makes community and collective and individual judgment essential in giving content to ideals of practical respect, creating important space for moral disagreement and growth. Focused on the integration of diverse norms and the lived experience of morality, Wilson's account affords Kantians a nuanced understanding of the relationship between moral and personal life and everyday norms of fidelity, non-violence, rescue, and care, capable of guiding ordinary moral judgment and informing deliberation in hard cases where different grounds of obligation conflict. It is essential reading for anyone working on Kant's moral philosophy today.

Applying Ethics Vincent E. Barry, 1982

Choice and conscience: Lessons from South Africa for a global debate Satang Nabaneh, 2023-11-08

Choice and Conscience offers a fresh and insightful perspective on the highly debated issue of conscientious objection in abortion care. Satang Nabaneh's socio-legal approach, which draws on both traditional legal scholarship and African feminist intellectual traditions, provides a nuanced understanding of how legal norms construct and maintain power relations. By focusing on the experiences of nurses in South Africa, Nabaneh explores the complexities of conscience, discretionary power, and socio-cultural and political factors that influence nurses' decisions about whether or not to conscientiously object. In the wake of the recent rollback of abortion rights in the United States and the trend towards liberalisation within the African region, Nabaneh provides an important African perspective on how the international human rights framework should strike a contextual balance between freedom of conscience and ensuring access to abortion. Choice and Conscience will interest lawyers, activists, policymakers, scholars, and students exploring the dynamic intersections of law, healthcare, and gender politics. Choice and Conscience stands as a significant and valuable addition to the ongoing global scholarship on this critical issue. It underscores the vital concept that intersectionality should occupy a central place in our examination of how various local contexts give rise to layered forms of privilege and disadvantage.

Dr Tlaleng Mofokeng, UN Special Rapporteur on the right to health

Nabaneh's study of law in action zeroes in on South African nurses' gatekeepers who often object to the practice for reasons of conscience. Her interviews of these nurses and her analysis complicate our understanding of challenges to abortion access, providing lessons applicable not only to South Africa and other African countries but everywhere where there is a gap between formal law and its application.

Mindy Jane Roseman, JD, PhD, Yale Law School

Written from an African feminist perspective, this book offers fresh insights into our understanding of the intersection between politics, mobilisation of discretionary power, and the exercise of conscientious objection to abortion by mid-level providers.

Charles Ngwenya, Professor of Law, Centre for Human Rights, University of Pretoria

This book offers powerful insights about how informal and background norms in health systems function, constrain, or enable reproductive justice. Focusing on conscientious objection to abortion by nurses, including

midwives in South Africa Nabaneh sketches the importance of a feminist analysis that is situated in Africans lived realities
Alicia Ely Yamin Harvard University

Whispering the Secrets of Language: An Mental Quest through **Kantian Ethics On Abortion**

In a digitally-driven earth where screens reign supreme and quick communication drowns out the subtleties of language, the profound strategies and mental subtleties hidden within phrases usually go unheard. However, set within the pages of **Kantian Ethics On Abortion** a charming literary prize pulsating with organic emotions, lies an exceptional journey waiting to be undertaken. Composed by an experienced wordsmith, this wonderful opus attracts readers on an introspective trip, delicately unraveling the veiled truths and profound impact resonating within the material of every word. Within the mental depths with this moving review, we will embark upon a heartfelt exploration of the book is key styles, dissect its fascinating writing model, and fail to the effective resonance it evokes deep within the recesses of readers hearts.

Kantian Ethics On Abortion Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Kantian Ethics On Abortion PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing

financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Kantian Ethics On Abortion PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Kantian Ethics On Abortion free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Kantian Ethics On Abortion Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Kantian Ethics On Abortion is one of the best book in our library for free trial. We provide copy of Kantian Ethics On Abortion in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Kantian Ethics On Abortion. Where to download Kantian Ethics On Abortion online for free? Are you looking for Kantian Ethics On Abortion PDF? This is definitely going to save you time and cash in something you should think about.
