reconnaissance and combat patrols *The Life and Times of a Cold War Serviceman* Maurice F. Mercure, 2012-11 This book may be dry in parts but it is exactly how a serviceman's life unfolds. It may seem strange to some people that your day to day existence daily life is dictated by pieces of paper. It is not like a civilian that does not have a rigid routine with military precision. In one sense it gives you a feeling of security knowing what is laid out for you. On the other hand it gives you the feeling that someone else is pulling the strings for you to act. As you retain copies of all these orders paperwork for your personal files you have a running chronological history of your life. It covers all aspects the good the bad and the ugly. It may be hard for a civilian nonmilitary person who has not had any exposure to military life to understand all the paperwork in this book. While reading this book take a moment to see how different a serviceman's life is compared to a civilian's **20**
