Meat In Mine House How Accessible Is It Really:

Meat in Mine House Israel Pace,2014-12-02 This booklet was brought about by my experience in the church in relation to God s Meat in Mine House during a time I found myself in need This commentary as with all my writings was birthed as a result of my personal experiences on whatever the subject matter may be as I only write about what I know about Being true to this premise I felt compelled and inspired of God to share my story and the things I have encountered and learned in the religious organization called the church But please allow me to clarify that there is a significant difference between this church and the church that CHRIST BUILT The church that Christ built is the TRUE CHURCH that He died to produce This is the church that The Father loves His Bride that He will be coming back for This church is The Kingdom of God IN THE EARTH and is not the church I am referring to in this booklet I speak solely concerning the religious organizations called the church Those are set up on almost every street corner some blocks having as many as four or five churches This is very important for me to clarify as I do not want the responsibility of having bred misunderstandings in God s Kingdom then having to be accountable for it The booklet may not have been created if solely based on my experience However having behind the scene access in almost every church I attended I have personal knowledge of many horror stories when it comes to the people who have faithfully sown their monies into these churches as instructed by The Word trusting that should they ever find themselves in need they would have a church they could depend on to come to their rescue For often than not THEY WERE WRONG So my question to you would be this Should you ever find yourself in need would your church HAVE YOUR BACK HMMMMMMMM *Just Watch Me!
