bright lights of the big city wistfully yearning for a table in glamorous Manhattan Now however the most sought after tables are right here and we have the best seats in the house made even sweeter perhaps because they re our own little secret We can dine frequently and dine well with a smug sense that if only New Yorkers knew they d be looking across the river wishing they were us In *Celebrity Chefs of New Jersey* Teresa Politano profiles Craig Shelton the chef who crystallized New Jersey s place in culinary history with his legendary Ryland Inn along with other chefs telling their personal stories of both creativity and survival Some of these men and women rose from humble or difficult childhoods to fame in the food world Others were not only talented but lucky enough to be in the right place at the right time Their stories are arranged into three categories legends stars and chefs to watch and then topped off with a sweet surprise finish Politano includes photographs cooking secrets and some of their sought after signature recipes that are sophisticated but manageable for the skilled home chef
