I Will Send My Messenger C. Paul Smith,2019-04-18 No other Christian denomination makes the bold claims made by The Church of Jesus Christ of Latter day Saints that resurrected apostles of Jesus visited Joseph Smith and conferred their apostolic authority upon him that a resurrected ancient American prophet named Moroni visited Joseph Smith and delivered a volume of ancient scripture to him that God the Father and his Son Jesus Christ appeared to Joseph Smith and that through the prophet Joseph Smith God has now set up His kingdom on the earth I Will Send My Messenger presents a lucid and forthright introduction to Mormonism relating how the rise of The Church of Jesus Christ of Latter day Saints is the fulfillment of Malachi s prophecy that God would send his messenger to the earth in the last days to prepare the world for the Lord s second coming Many of the prophets foretold of this latter day messenger and of the great

latter day restoration that God's messengers would bring to pass The Lord Jesus Christ spoke of it so did the apostles Peter Paul and John so did the prophets Moses Isaiah Jeremiah Ezekiel Daniel and Joel Mormonism is in full harmony with the teachings of the Bible despite the claims of its outspoken critics and the world is invited to learn the truth before condemning the faith The testimony of Joseph Smith and The Church of Jesus Christ of Latter day Saints is that Jesus is the Savior of the world and that God speaks from heaven to give messages to humankind today messages whose importance to all the world is unsurpassed *The Divine Messenger* Chinmoy Mukherjee,2025-06-22

In ancient times when the earth itself breathed prayer and the very rivers sang hymns lay the ancient land of Bharat It was a realm painted in hues of ochre emerald and sapphire a land where the dust of the roads was sacred and the sky a canvas for the gods The air thick with the scent of sandalwood incense and jasmine blossoms offered at dawn rituals carried the faint constant hum of mantras whispered in a thousand hermitages Sunlight the color of liquid gold streamed through the canopies of banyan and ashoka trees dappling the forest floors where wisdom and spirituality flourished like the rarest of lotuses In this world the veil between the mortal and the divine was as thin as a morning mist It was into this vibrant tapestry of existence that a message of profound significance was woven Dispatched from the celestial realms where stars chimed like silver bells it was a missive not of words but of pure light a seed of cosmic intent Its destination the heart of a revered rishi The message carried the weight of worlds a warning that the great balance the divine Dharma teetered on a razor's edge An immediate and sacred action was required to prevent a descent into chaos Guided by the luminous embers of this divine command the rishi would embark on a great journey a yatra to seek the counsel of other sages their souls like brilliant lamps scattered across the sacred land Together they would unravel the celestial threads of the message and with hands and hearts united re weave the fabric of harmony This is the tale of their journey a saga filled with the fire of trial the nectar of divine intervention and the profound echoing silence of true wisdom *Messenger from Mystery* Deno Trakas,2017-01-31
