Freaked out Horror Tom Raimbault, 2015-01-02 Journey into a world of horror beyond your wildest expectations, a large collection of 24 short stories by author Tom Raimbault, a writer who delights in pushing the boundaries of macabre and horror. Witness the terror of being buried alive, a haunted pocket watch that torments its new owner, a disturbing mansion filled with grotesque paintings of clowns, a dark presence that resides in the furnace room, a family home that is suddenly under siege by a frightening stranger and much more. Each story is a disturbing portrait that is guaranteed to cause nightmares of your own. A public gallery is now open for your reading pleasure, a world of the strange, the macabre and the bizarre. Review by Hayley Sale of My Love of Reading on May 9, 2011. This book is fantastic. With 25 stories, I just found it great. I cannot wait until I can get a paperback copy, as this is the type of book that you can read over and over again. And it is handy to carry with you at all times, as you will want to pick it up as often as you can. I spent hours sat reading story after story and then snuck stories in between doing jobs. I just love Tom's unique writing style and the Preface at the beginning of the book is almost like a story in itself. Tom has an incredible imagination and the way he conveys it to paper is just truly captivating. I could spend hours waffling on about each story, but I feel that I would spoil too much for you, the reader. And I can't pick a favourite story, either, as it's too close to call. Fear of Needles, however, had me gripped and I had to read it all in one go. The stories in this book really get your mind going and no matter what your age, make you want to ensure your feet are tucked inside your duvet and think about what it is that goes bump in the night. I must say that I'm very upset at not being one of those lucky co-workers that received emails bearing the words Hello All. Review by Kipp Poe Speicher on April 2
