The Chinese Love Story from the Tenth to the Fourteenth Century Alister D. Inglis,2023-04-01 Love stories formed a major part of the classical short story genre in China from as early as the eighth century when men of letters began to write about romantic encounters In later centuries such stories provided inspiration for several new literary genres While much scholarly attention has been focused on the short story of both the medieval and late imperial eras comparatively little work has been attempted on the interim stage the Song and Yuan dynasties which spanned some five hundred years from the tenth to the fourteenth centuries Yet this was a crucial developmental period for many forms of narrative literature so much so that any understanding of late imperial narrative should be informed by the earlier tradition The first study of its kind in English *The Chinese Love Story from the Tenth to the Fourteenth Century* traces the development of the love story throughout this important yet overlooked era Using Tang dynasty stories as a point of comparison Alister D Inglis examines and appraises key new themes paying special attention to period hallmarks gender portrayal and textuality Inglis demonstrates that contrary to received scholarly wisdom this was a highly innovative period during which writers and storytellers laid a fertile foundation for the literature of late imperial China

Love and Women in Early Chinese Fiction Daniel Hsieh,2009-03-02 In traditional China upper class literati were inevitably strongly influenced by Confucian doctrine and rarely touched upon such topics as love and women in their writings It was not until the mid Tang a generation or two after the An Lushan rebellion that literary circles began to engage in overt discussion of the issues of love and women through the use of the newly emerging genres of zhiguai and chuanqi fiction The debate was carried out with an unprecedented enthusiasm since the topics were considered to be the key to understanding the crisis in Chinese civilization This book examines the repertoire of chuanqi and zhiguai written during the Six Dynasties and Tang periods and analyzes the key themes topics and approaches found in these tales which range from expressions of male fantasy sympathy fear and anxiety

to philosophical debate on the place of the feminine in patriarchal Chinese society Many of these stories reflect tensions between masculine and feminine aspects of civilization as seen for example in the conflict of male aspiration and female desire as well as the ultimate longing for reconciliation of these divisions These stories form a crucial chapter in the history of love in China and would provide much of the foundation for further explorations during the late imperial period as seen in seminal works such as *The Peony Pavilion* and *Dream of the Red Chamber* *The Boston Massacre* Serena R. Zabin,2020 Prologue March 1770 Families of Empire Inseparable Interests 1766 1767 Seasons of Discontent 1766 1767 Under One Roof Love Your Neighbor 1768 1770 Absent Without Leave 1768 1770 A Deadly Riot Gathering Up 1770 1772 Epilogue Civil War 1772 1775 **Catalogue of Printed Books** ,1891 **Billboard** ,1962-02-24 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Publishers' Circular and Booksellers' Record of British and Foreign Literature* ,1895 **Narrative and Culture** Janice Carlisle,Daniel R. Schwarz,2010-08-01 Narrative and Culture draws together fourteen essays in which leading scholars discuss narrative texts and practices in a variety of media and genres subjecting them to sustained cultural analysis The essays cross national borders and historical periods as often and as easily as they traverse disciplinary boundaries and they examine canonical fiction as well as postmodern media photography film television The primary subject of these pieces notes Janice Carlisle is the relation between the telling of tales and the engagement of their tellers and listeners in the practices of specific societies Contributors Nina Auerbach Thomas B Byers Jay Clayton Marcel Cornis Pope Mary Lou Emery Colleen Kennedy Vera Mark Caroline McCracken Flesher Paul Morrison Ingeborg Majer O Sickey John Carlos Rowe Daniel R Schwarz Carol Siegel Felipe Smith **Honor Bound** Stuart I. Rochester,Frederick T. Kiley,1998 Honor Bound is the result of a fruitful collaboration between Stuart I Rochester and Frederick Kiley In examining the lives of the prisoners in captivity it presents a vivid sensitive sometimes excruciating account of how men sought to cope with the physical and psychological torment of imprisonment under wretched and shameful conditions It includes insightful analyses of the circumstances and conditions of captivity and its varying effects on the prisoners the strategies and tactics of captors and captives the differences between captivity in North and South Vietnam and between Laos and Vietnam and analysis of the quality of the source materials for this and other works on the subject **The Publishers Weekly** ,1917 *Bonnie Prince Charlie in Love* Hugh Douglas,Amy Douglas,2016-10-21 Romantic hero of legend or charismatic self seeker in love with himself and his cause Which is the real Charles Edward Stuart Hugh Douglas goes beyond the flaws of Bonnie Prince Charlie's character to prove that here was a man capable not only of deep and enduring passion but also love *Love and Poetry in the Middle East* Atef Alshaer,2021-12-30 Love has been an important trope in the literature of the region we now call the Middle East from ancient times to modern This book analyses love poetry

in various ancient and contemporary languages of the Middle East including Akkadian ancient Egyptian Classical and Modern Standard Arabic Persian Hebrew Turkish and Kurdish including literary materials that have been discovered and highlighted for the first time Together the chapters reflect and explore the discursive evolution of the theme of love and the sensibilities styles and techniques used to convey it They chart the way in which poems in ancient poetry give way to complex and varied reflections of human sentiments in the medieval languages and on to the modern period which in turn reflects the complexities and nuances of present times Offering a snapshot of the diverse literary languages and their relationship to the theme of love the book will be of interest to scholars of Near and Middle Eastern Literature and Culture **Love, Beauty or**

Morality Alberto Castelli, 2024-05-23 This book is moved by two main questions Is Love a matter of beauty or mortality In other words is love an ethical ideal Also modernity understood as the age of mechanical reproduction has shaped not simply our cities but our very same way of feeling How has our conception of love changed if it has in the past two centuries This book is to address these questions It is not to trace the evolution of the idea of love in Western culture from Plato to the present day It aims to bring to the surface different shades of love lingering at the heart of Western culture to rehabilitate the myth of love to its original credibility Our confused civilization has split love into sensual and moral aspects but to be aware of it is perhaps to defeat a dilemma that seems so unnatural This book is about how we make sense of our lives through love and how nineteenth and twentieth century literature records it Bookseller and Print Dealers Weekly ,1928
