Explore The Bible Commentary:

How to Study the Bible Willis C. Newman, 2010-04-30 This book covers the basic concepts concerning the interpretation of the Bible The major sections covered include personal preparation steps kinds of interpretation procedures for interpretation rules of interpretation types of biblical literature special forms of literature and personal application of Bible truths There is an introduction to many Bible study tools There is an emphasis on the literal method which means to interpret the Bible in a plain literal straightforward manner using the normal rules of literature interpretation *Genesis: The Easy Study Bible Commentary* Dr. Trennis E. Killian, 2023-09-27 Genesis is the book of beginnings in more than one way The word itself is a Greek word which means In the beginning It was first used when the Greek translation of the Old Testament the Septuagint was finished somewhere around 247BC There are fifty chapters that range from creation to Joseph s death The book is of course attributed to Moses as are all the first five books also called the Pentateuch It is estimated that he wrote it around 1500BC Genesis Outline I History of Humanity in General 1 11 A Creation of the heavens and earth 1 2 B Adam and his family 3 5 1 The Fall of Man 3 1 24 C Noah and his family 6 11 1 The Flood 6 10 2 The Babel Rebellion 11 1 32 II History of Israel in Particular 12 50 A Abraham The father who gave his son 12 1 25 18 B Isaac The son who took a bride 25 19 26 35 C Joseph The providence of God 37 1 60 26 Notice that the outline breaks Genesis into two parts The first part is the history of man before God called Israel into being and the second part is all about Israel after that The reason for that is very clear After what God had to deal with in the first half He gave mankind another chance to do it right He gave them all the things they needed and even told them they were His chosen children But as we all know they blew it *NKJV, The Bible Study Bible* Sam O'Neal, 2023-06-06 The NKJV Bible Study Bible provides a study guide for every chapter of the Bible Use this Bible to encourage discussion in a small group study or for further engagement in your personal devotions to gain a deeper understanding of any chapter in the Bible Additional materials provide directions for leading a group through studies on specific topics such as the names of God prayer salvation and suffering Features include Double column typesetting with guides set in boxes after each chapter Study guides for each of the 1 189 chapters of the Bible Suited for both small groups and individual study Topical study guides ranging from 4 to 13 weeks on key subjects Concordance Full color maps Clear and readable 9 5 point NKJV Comfort Print **KJV Study Bible** Thomas Nelson, 2013-10-22 The best selling study Bible in the King James Version now updated with added features Trusted for 25 years The King James Study Bible has dependable notes and annotations from scholars you can rely on led by General Editor Edward Hindson A clear presentation of conservative Bible doctrine with the resources you need for knowing God s Word Features include NEW Fresh new page design for enjoyable reading of the Authorized King James text More than 5 700 authoritative and time tested study notes offer straightforward communication and clear understanding NEW 48 revised in text maps and charts modernized and redrawn for stress free reference Large 11 point Bible type for comfort reading no matter how long you spend NEW Enhanced
