Sotheran's Price Current of Literature Henry Sotheran Ltd, 1883 *The Banana Tree at the Gate* Michael

Dove,2011-01-01 The Hikayat Banjar a seventeenth century native court chronicle from Southeast Borneo characterizes the irresistibility of natural resource wealth to outsiders as the banana tree at the gate Michael R Dove employs this phrase as a root metaphor to frame the history of resource relations between the indigenous peoples of Borneo and the world system standing on its head the prevailing view of resource poor and economically marginal tropical forest dwellers In analyzing production and trade in forest products pepper and especially natural rubber Dove shows that the involvement of Borneo s native peoples in commodity production for global markets is ancient and highly successful This success is based on the development of a dual household economy with distinct subsistence and market oriented sectors which has historically made these smallholders extremely competitive with the large scale heavily capitalized state supported plantation sector Dove sheds new light on the nature of smallholders and in particular their relationship with the global economic system He demonstrates that processes of globalization began millennia ago and that they have been more diverse and less teleological than often thought His analysis replaces the image of the isolated tropical forest community that needs to be helped into the global system with the reality of communities that have been so successful and competitive that they have had to fight political elites to keep from being forced out The ubiquitous but historically inaccurate emphasis on isolation and resource poverty disguises that the overweening characteristic of these communities is their political marginality and that their greatest want is not to be uplifted economically but to be empowered politically *An American Girl* S. Naomi

Main,2024-01-23 Sharon Sholl is an ordinary girl growing up in America She meets an ordinary young man Mark Main two weeks before her sixteenth birthday who blows to pieces her little world she says of him *An American Girl* is a relational journey which no matter how you look at it is a love story Sharon s love story is about her extraordinary life with Mark whom she met in 1968 four weeks before he was to leave for Vietnam From the moment she was born she also traveled a relational journey with the God of the universe the Creator God She didn t pursue that relationship seriously until in her early forties she and Mark came to a point in their marriage when it seemed as though they had hit rock bottom Sharon presents the beautiful the distressing and the unattractive of her journey of nearly seventy years Perhaps as you read about this ordinary American girl you will identify with some of the challenges but mostly with the joys one encounters in this life on earth joys that are available to all **The Florida Agriculturist** ,1892 **The London Literary Gazette and Journal of Belles Lettres, Arts, Sciences, Etc** ,1828
