

AQA June 2013 Biology B3 – Examiner's report

“Q6b Many students failed to gain the second mark point because they didn't expand on the idea of poor evaporation being due to high humidity – simply saying evaporation is less in humid conditions was not sufficient to gain the second mark point.

There were a number of incorrect responses that suggested there is less oxygen in humid air because of the water content which decreases respiration rates.

There were also suggestions that the water particles in the atmosphere were warm and that they are absorbed by the skin, heating the athlete up.”

F21june 2013 Biology

Rachel S Tattersall

F21june 2013 Biology:

Delve into the emotional tapestry woven by Crafted by in **F21june 2013 Biology** . This ebook, available for download in a PDF format (*), is more than just words on a page; itis a journey of connection and profound emotion. Immerse yourself in narratives that tug at your heartstrings. Download now to experience the pulse of each page and let your emotions run wild.
