F Is For Fetish:

F Is for Fetish Alison Tyler, 2007-08-15 The feeling of being zipped up tight in a leather jacket the flood of desire unleashed by the glimpse of perfectly shaped feet caressed by high heeled shoes Here are twelve tantalizing stories that capture the erotic power of fetishes In *Knuckling Under* a woman longs for the strong thick fingers of her bike mechanic as she watches them glide over gears and spokes And in *Fishnets* the narrator explains his particular fetish I can always tell when a woman really cares about her fishnets when she's the type who shakes them out before holding open the hole and sliding her foot into it aware of every nuance of sensuality involved **Feminizing the Fetish** Emily Apter, 2018-03-15 Shoes gloves umbrellas cigars that are not just objects the topic of fetishism seems both bizarre and inevitable In this venturesome and provocative book Emily Apter offers a fresh account of the complex relationship between representation and sexual obsession in turn of the century French culture Analyzing works by authors in the naturalist and realist traditions as well as making use of documents from a contemporary medical archive she considers fetishism as a cultural artifact and as a subgenre of realist fiction Apter traces the web of connections among fin de siècle representations of perversion the fiction of pathology and the literary case history She explores in particular the theme of female fetishism in the context of the feminine culture of mourning collecting and dressing *The Fetish Revisited* J. Lorand Matory, 2018-10-04 Since the early modern encounter between African and European merchants on the Guinea Coast European social critics have invoked African gods as metaphors for misplaced value and agency using the term fetishism chiefly to assert the irrationality of their fellow Europeans Yet as J Lorand Matory demonstrates in *The Fetish Revisited* Afro Atlantic gods have a materially embodied social logic of their own which is no less rational than the social theories of Marx and Freud Drawing on thirty six years of fieldwork in Africa Europe and the Americas Matory casts an Afro Atlantic eye on European theory to show how Marx's and Freud's conceptions of the fetish both illuminate and misrepresent Africa's human made gods Through this analysis the priests practices and spirited things of four major Afro Atlantic religions simultaneously call attention to the culture specific materially conditioned physically embodied and indeed fetishistic nature of Marx's and Freud's theories themselves Challenging long held assumptions about the nature of gods and theories Matory offers a novel perspective on the social roots of these tandem African and European understandings of collective action while illuminating the relationship of European social theory to the racism suffered by Africans and assimilated Jews alike **Dancing Theology in Fetish Boots** Lisa Isherwood, 2013-01-26 Marcella Althaus Reid was one of the most fascinating and controversial theologians of the twentieth and early twenty first century Her strong personality and her iconoclastic work inspired a whole generation of theologians in the UK and worldwide Marcella's creative life was cut short by her death from cancer in 2009 Yet she lives on not least in those who have been inspired by her work and continue to engage with it *Dancing Theology in Fetish Boots* draws together a number of world class scholars and others who engage with the main themes of Marcella's work and show

how the critical and controversial conversations which Marcella has begun can and do continue It is therefore far more than a Festschrift but a celebration of an intellectual life Marcella style Palmer's Index to the Times Newspaper ... ,1903

Fetishism and Culture Hartmut Böhme,2014-08-25 Hartmut Böhme's study of fetishism spans all the way from Christian image magic in the Middle Ages to fetishistic practices in fashion advertising sport and popular culture today In it he provides a thorough exploration of religion magic idolatry sexuality and consumption charting the mental scientific and artistic processes through which fetishism became a central category in European culture's account of itself
