Parts Manual

When ordering various parts, specify the correct part number. All descriptions, quantities required, the unit model number and serial number. For your safety and continued proper operation, use only genuine GARDNER GREENE parts.

The model and vessel number for this test are as in test 1, except as a vessel on the front of the job.

*Right and Left are determined from a position looking up the runway's axis and facing forward.

NOTE: Company reserves the right to make changes to improvements in the design or construction of any part of the unit without incurring the obligation to notify each change or any associated additional costs.

Refer to the abbreviations table located on this page for special parts descriptions. Standard stock/ing hardware and major items are also provided near the back of this manual. Metric torque values shown in the illustrations are in Newton-meters and are converted to inch-pounds by multiplying by 0.7376.

Specific reference numbers, indicating a complete assembly, are included on some drawings. A small tag, present on some drawings, indicates a set list (see, e.g., set 1). In the exploded view parts list, additional information may follow the reference number.
