Gender Conservatism And Political Representation

L Cohen

Gender Conservatism And Political Representation:

Gender, Conservatism and Political Representation Karen Celis, Sarah Childs, 2014 Can Conservatives represent women Descriptively of course they do Conservative parties and organisations are increasingly feminised conservative women sit in many of the world's parliaments a few women have led conservative parties and there are and have been Conservative Prime Ministers But whether these women actually stand for women act for women and re gender representation is likely to invite greater contestation Contributors to this edited collection address head on the puzzle of conservative women who engage in gendered political representation but do so within a conservative setting Individual chapters examine women's participation as conservative movement and party members supporters candidates leaders legislators and ministers in countries ranging from Europe the US Argentina Australia New Zealand Japan Turkey and Morocco Assessment is made of the nature of their representational contribution and the relationship they have with conservative women's views in society This book contributes greatly to our knowledge about gender and political representation not only because it fills a gap in the literature on feminism and conservatism but also most importantly because it challenges feminist taboos about the role of conservative women as acting for women The detailed empirical analysis disentangles what some scholars would consider an oxymoron feminism and conservatism and identifies the diversity of women's interests beyond stereotypes In this way the book provides a more conceptually refined and empirically grounded notion of what women's interests claims and issues actually are while improving existing understandings of the relations between substantive and descriptive representation Emanuela Lombardo Universidad Complutense de Madrid Agenda setting may be an overused claim but it's richly deserved this time In *Gender Conservatism and Political Representation* Karen Celis Sarah Childs and their distinguished contributors break new ground empirically and conceptually in the study of the gendered dimensions of political parties of the Right including the descriptive substantive and symbolic representation of women Timely and authoritative Fiona Mackay University of Edinburgh This book offers a completely new perspective on an old question How is politics gendered In chapters that are rich well structured conceptually sharp and empirically rich the authors of *Gender Conservatism and Political Representation* analyse the many gendered faces of conservatism across the globe challenging not simply gender scholarship but also mainstream political science understandings of political representation Mieke Verloo Radboud University Nijmegen

Gender, Conservatism and Political Representation Karen Celis, Sarah Childs, 2024-08-22 Can Conservatives represent women Descriptively of course they do Conservative parties and organisations are increasingly feminised conservative women sit in many of the world's parliaments a few women have led conservative parties and there are and have been Conservative Prime Ministers But whether these women actually stand for women act for women and re gender representation is likely to invite greater contestation Contributors to this edited collection address head on the puzzle of conservative women who engage in

gendered political representation but do so within a conservative setting Individual chapters examine women s participation as conservative movement and party members supporters candidates leaders legislators and ministers in countries ranging from Europe the US Argentina Australia New Zealand Japan Turkey and Morocco Assessment is made of the nature of their representational contribution and the relationship they have with conservative women s views in society **Women, Politics, and Power** Pamela Paxton, Melanie M. Hughes, Tiffany D. Barnes, 2020-03-17 Women Politics and Power A Global Perspective provides a clear detailed introduction to women s political participation and representation across a wide range of countries and regions Through broad statistical overviews and detailed case study accounts the authors document both historical trends and the contemporary state of women s political strength Readers see the cultural structural political and international influences on women s access to political power and the difference women make once in political office The fourth edition includes the latest information available on women in politics around the world including current events as they have unfolded across the globe The newest thinking in the field is presented including on violence against women in politics Approach and Features Nine thematic chapters explain women s access to office in the executive legislative and judicial branches and why it matters Six chapters cover women s political power in specific geographic regions with recent research and events The book s intersectional perspective attends to the ways gender interacts with other forms of difference both throughout the volume and in a dedicated chapter A bounty of figures maps and tables provide visual accounts of the variations in women s access to political power around the world the growth in women s political power over time and persistent obstacles to gender equality in politics The Routledge Handbook of Political Parties Neil Carter, Daniel Keith, Gyda M. Sindre, Sofia Vasilopoulou, 2023-04-25 The Routledge Handbook of Political Parties provides a systematic and comprehensive overview of the study of political parties provided by leading experts in the field In an era of widespread political disillusionment political parties are often the main targets of citizen dissatisfaction yet they are the key institutions that make democracy work Analysing political parties in unrivalled depth and breath with comparative thematic chapters throughout as well as a dedicated section on political parties and party politics in specific country and regional settings this handbook examines and illuminates the key questions around how parties organise how their ideologies have evolved over time their relationship with society how they differentiate themselves and how they respond to new social economic and political developments The Routledge Handbook of Political Parties is essential reading and an authoritative reference for scholars students researchers and practitioners involved in and actively concerned about research in the study of political parties party systems and party politics **Sex, Gender and the Conservative Party** S. Childs, P. Webb, 2011-11-15 As leader of the Conservative party David Cameron inherited a multi faceted gender problem only 17 women MPs an unhappy women s organization electorally uncompetitive policies for women and a party which was seemingly unattractive to women voters This book is an account of the feminization of the party since 2005 Party Politics and the Implementation of

Gender Quotas Sabine Lang, Petra Meier, Birgit Sauer, 2022-12-01 This edited collection explores how party politics impacts the implementation of gender quotas in political representation across Europe Contributors identify actors institutions and cultural legacies shape how quotas are put into practice The volume s subtitle *Resisting Institutions* points to the myriad ways in which parties and other institutions in Europe over time have resisted the inclusion of women into politics As voluntary party quotas and legislative quotas gained prominence so did strategies to undermine them At the same time *Resisting Institutions* also indicates that gender equality actors have developed ways to counter such blockages and advance the cause of parity in their legislatures 17 country cases explore the current state of quota implementation and the effects of confronting androcentric institutions **Sell-Outs or Warriors for Change?** Malliga Och, Shauna Shames, Rosalyn Cooperman, 2022-11-28 This book addresses the central question of how right wing women navigate the cross pressures between gender identity and political ideology The hope has always been that more women in politics would lead to greater inclusion of women s voices and interests in decision making and policy Yet this is not always the case some prominent conservative women such as Margaret Thatcher have rejected the feminist label while others such as Angela Merkel have reluctantly accepted it Republican women in the U S Congress have embraced social and economic policies contrary to what many consider to be women s issues while EU Commission president Ursula von der Leyen is a staunch supporter of feminist ideas Other conservative women such as Marine LePen in France strategically use feminist ideas to justify their conservative stances on immigration This brings up an interesting yet understudied question under what circumstances do conservative women become feminist allies and when do they toe the party line It is this tension between women s political representation and conservatism that this edited volume explores The chapters in this book except for Chapter 3 were originally published as a special issue of *Journal of Women Politics Policy* *Doing Politics Differently?* Sylvia Bashevkin, 2019-05-01 Women have reached the highest levels of public office in Canada s provinces and territories but what difference if any has their rise to the top made Have they changed the content tone and style of politics What role has gender played in their triumph and defeat In *Doing Politics Differently* leading researchers from across the country assess the track records of eleven premiers including their impact on policies of particular interest to women and their influence on the tenor of legislative debate and the recruitment of other women as party candidates cabinet ministers and senior bureaucrats Canada stands out for the variety and number of women who have reached the top in subnational government By evaluating the performance of women premiers across the country and comparing their records with those of men who preceded and succeeded them this innovative volume probes how important demographic diversity is to government decision making *European Parliament's Political Groups in Turbulent Times* Petra Ahrens, Anna Elomäki, Johanna Kantola, 2022-07-08 This open access book provides the first ever authoritative collection of scholarly insights based upon original research into the political groups of the EP tackling the fundamental changes since the Lisbon Treaty and the upsurge of radical right parties It analyses political groups

and their importance from multiple perspectives critically assessing their role and significance in EU politics Each chapter is authored by leading scholars in the field working on key topics in relation to political groups political group formation and function their role in parliamentary and EU policy making the way that Eurosceptic MEPs influence or not the Parliament and the nature and form of interactions with external actors In doing so each chapter opens hitherto unexplored black boxes in the political work of the EP such as the internal practices of and power relations within the political groups and informal arenas of intra group decision making

Beyond the Gender Gap in Japan Gill Steel, 2019-01-23 Why do Japanese women enjoy a high sense of well being in a context of high inequality *Beyond the Gender Gap in Japan* brings together researchers from across the social sciences to investigate this question The authors analyze women s values and the lived experiences at home in the family at work in their leisure time as volunteers and in politics and policy making Their research shows that the state and firms have blurred the public and the private in postwar Japan constraining individuals lives and reveals the uneven pace of change in women s representation in politics Yet despite these constraints the increasing diversification in how people live and how they manage their lives demonstrates that some people are crafting a variety of individual solutions to structural problems Covering a significant breadth of material the book presents comprehensive findings that use a variety of research methods public opinion surveys in depth interviews a life history and participant observation and in doing so look beyond Japan s perennially low rankings in gender equality indices to demonstrate the diversity underneath questioning some of the stereotypical assumptions about women in Japan

Political Science Research in the Middle East and North Africa Janine A. Clark, Francesco Cavatorta, 2018-07-20 In conducting political science research today one s methodology is of paramount concern Yet despite the obvious chasm between theory and practice that all scholars experience in the field there are no specific guidebooks on meeting the methodological and ethical challenges that fieldwork presents *Political Science Research in the Middle East and North Africa* helps fill this vacuum focusing specifically on doing research in the one of the most important regions in contemporary world politics Janine A Clark and Francesco Cavatorta have gathered together a large and diverse group of researchers who study the region and focus on methodological lessons learned from their first hand experiences of employing a variety of research methods while conducting fieldwork The contributors also look at the challenges of conducting field research in a variety of contexts such as in areas of violence and using research methods such as interviewing and ethnography This volume will therefore be an invaluable companion book to more standard methods books and a useful tool not just for Middle East scholars but for all researchers conducting research in complex settings

Making Gender Salient Ana Catalano Weeks, 2022-06-30 This book offers and tests a novel theory of when and how gender quota laws change policy

Gender and Political Analysis Johanna Kantola, Emanuela Lombardo, 2017-03-15 A major new text on gender and politics by two leading authorities which introduces the main issues and debates about the politics of gender and its role in both domestic and international politics and feminist approaches to political analysis

Gendering the European Parliament Petra Ahrens, Lise Rolandsen Agustín, 2019-12-02 Gendering the European Parliament Structures Policies and Practices provides a multifaceted innovative analysis of the EP by studying it comprehensively from a gender perspective addressing changes and continuities It asks how and why the EP as an institution is gendered and what the gendered impacts of recent changes are when it comes to the structures policies and practices of the EP This collection brings together scholars from a variety of different disciplines sociology political sciences law management studies and cultural studies as well as theoretical and methodological backgrounds who are united by their ability to provide the puzzle pieces necessary to fully comprehend the EP from a gender perspective The Racialization of Sexism Francesca Scrinzi, 2023-12-05 Populist radical right PRR parties are questioning women's rights and sexual democracy Yet paradoxically they appropriate issues of gender equality to attack migrants and to mobilize a growing number of women as voters and members based on a racialization of sexism discourse This book engages with these puzzling developments in order to investigate the evolving ideologies of PRR parties and their understudied membership from a gender perspective Why do men and women join these parties How do they negotiate the gendered propaganda of their organizations Do these parties mobilize their members in gender specific ways How is the PRR achieving growing political legitimacy through such renewed gendered ideologies And how does its mainstreaming strategy articulate with gendered social change and the advent of new generations of activists Drawing on a two year comparative and intersectional study of the Lega Nord in Italy and the Front national now Rassemblement national in France and based on life histories of over 100 activists The Racialization of Sexism tackles how gender at the interplay with class ethnicity age and religion shapes the parties strategies as well as their activists experiences and how gender relations are transformed in unconventional ways within these parties This book will be of interest to those studying gender as well as nationalism racism social movements radical politics and party politics Theory and Methods in Political Science Vivien Lowndes, David Marsh, Gerry Stoker, 2017-09-28 A broad ranging and pluralistic textbook which highlights the rich variety of approaches to studying politics Written by an international team of experts this fully revised fourth edition offers cutting edge coverage from fundamental to contemporary issues Integrating guides to further reading and clear examples of how research methods can be applied it enables readers to feel confident about taking their study of politics forward An ideal foundation for study and research in political science this textbook will be essential to students at any stage of their degree It serves as core reading on undergraduate and postgraduate political analysis theory and methods courses In demonstrating how independent research is undertaken in political science the book allows students and early career researchers to begin thinking about formulating their own research agendas This new edition Leads the way with fresh new ideas and perspectives with the help of new co editor Vivien Lowndes Includes new chapters on post structuralism as a theoretical approach and on big data as a methodological resource Offers an international perspective on political science with discussion of global as well as domestic

politics and a range of international cases and examples 100 Questions about Women and Politics Manon Tremblay, 2018-09-30 Both yesterday's suffragists and today's feminists have battled for women to vote and hold office and their successes have made it possible for countries such as Argentina Brazil Germany Iceland Liberia and the United Kingdom to have female heads of state Despite these notable advances women are still largely underrepresented in parliaments and governments around the world Why after so many years of feminist struggle are women still obstructed from full political citizenship by a glass ceiling Manon Tremblay's 100 Questions about Women and Politics discusses electoral politics in Canada and abroad focusing on women's rights to vote and run for office in legislative elections political parties voting systems electoral quotas for women and participation in parliaments and governments Against a background of observations taken from academic research Tremblay uses an innovative approach by dividing her book into 100 questions and answers to address a range of important issues Are electorates sexist or lesbophobic Are family responsibilities a real obstacle to women's engagement in politics What strategies are available to increase the number of female politicians Are gender quotas democratic Once elected to office do women represent women How does women's political citizenship in Canada compare to that in other countries A timely book on the unfinished work of representative democracy 100 Questions about Women and Politics takes a comprehensive yet concise approach to demystifying the major issues dominating the study of gender and government

Social Justice through Inclusion Francesca R. Jensenius, 2017-06-30 Across the world governments design and implement policies with the explicit goal of promoting social justice But can such institutions change entrenched social norms And what effects should we expect from differently designed policies Francesca R. Jensenius Social Justice through Inclusion is an empirically rich study of one of the most extensive electoral quota systems in the world the reserved seats for the Scheduled Castes SCs the former untouchables in India's legislative assemblies Combining evidence from quantitative datasets from the period 1969-2012 archival work and in depth interviews with politicians civil servants and voters across India the book explores the long term effects of electoral quotas for the political elite and the general population It shows that the quota system has played an important role in reducing caste based discrimination particularly at the elite level Interestingly this is not because the system has led to more group representation SC politicians working specifically for SC interests but because it has made possible the creation and empowerment of a new SC elite who have gradually become integrated into mainstream politics This is a study of India but the findings and discussions have broader implications Policies such as quotas are usually supported with arguments about various assumed positive long term consequences The nuanced discussions in this book shed light on how electoral quotas for SCs have shaped the incentives for politicians parties and voters and indicate the trade offs inherent in how such policies of group inclusion are designed

Gender-Competent Legal Education Dragica Vujadinović, Mareike Fröhlich, Thomas Giegerich, 2023-02-03 Male dominated law and legal knowledge essentially characterized the whole of pre modern history in that the patriarchy represented the

axis of social relations in both the private and public spheres Indeed modern and even contemporary law still have embedded elements of patriarchal heritage even in the secular modern legal systems of Western developed countries either within the content of legislation or in terms of its implementation and interpretation This is true to a greater or lesser extent across legal systems although the secular modern legal systems of the Western developed countries have made great advances in terms of gender equality The traditional understanding of law has always been self evidently dominated by men but modern law and its understanding have also been more or less malestreamed Therefore it has become necessary to overcome the given maskulinity of legal thought In contemporary legal and political orders gender mainstreaming of law has been of the utmost importance for overcoming deeply and persistently embedded power relations and gender based unequal social relations At the same time and equally importantly the gender mainstreaming of legal education to which this book aims to contribute can help to gradually eliminate this male dominance and accompanying power relations from legal education and higher education as a whole This open access textbook provides an overview of gender issues in all areas of law including sociological historical and methodological issues Written for students and teachers around the globe it is intended to provide both a general overview and in depth knowledge in the individual areas of law Relevant court decisions and case studies are supplied throughout the book

The Mainstream Right and Family Policy Agendas in the Post-Fordist Age Giovanni Amerigo Giuliani, 2024-06-03 Anchored in a new theoretical framework that combines the insights of a variety of sociological and political science approaches this study offers an understanding of the changes in the Mainstream Right s family policy preferences and their drivers over time and across countries

Gender Conservatism And Political Representation Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Gender Conservatism And Political Representation PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and

pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Gender Conservatism And Political Representation PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Gender Conservatism And Political Representation free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Gender Conservatism And Political Representation Books

What is a Gender Conservatism And Political Representation PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Gender Conservatism And Political Representation PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Gender Conservatism And Political Representation PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Gender Conservatism And Political Representation PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Gender Conservatism And Political Representation PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any

free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
