General Services Administration Acquisition Manual (GSAM) United States. General Services Administration. Office of Acquisition Policy, 1999 **General Services Administration Acquisition Manual (2013)** CCH Incorporated, Wolters Kluwer Law and Business Staff, 2013-05-01 The General Services Administration Acquisition Manual GSAM provides the General Services Administration Acquisition Regulation GSAR and related internal agency acquisition policy in a convenient integrated format Regulatory material in the text appears in shaded background and is easily distinguished from policy material with both following a consistent number format that coincides with the Federal Acquisition Regulation FAR The 2013 edition incorporates hundreds of changes that were made since the prior edition was published The changes relate to a wide variety of subjects including Acquisition letters Acquisitions involving classified information Awards involving subcontracting plans Breaches of security Content of contract files Contract distribution procedures Contracting officer's signature Control of classified information Direct 8 a contracting Federal Procurement Data System public access to data Final payment construction and building service contracts Information technology security plans and security authorization Mentor requirements and evaluation Model small business subcontracting plan Notice to offerors of subcontracting plan requirements Personal identity verification requirements Postaward responsibilities of the contracting officer Preparation submission and negotiation of subcontracting plans Procedures for closing out contract files Processing security requirements checklist Responsibilities of the administrative contracting officer Return of classified information Reviewing subcontracting plans Security requirements for unclassified information technology resources Storage handling and disposal of contract files Subcontracting plan evaluation checklist Taxpayer identification information General Services Administration Acquisition Manual (GSAM) Services Services Administration Acquisition, 2017-01-09 The GSAM incorporates the General Services Administration Acquisition Regulation GSAR as well as internal agency acquisition policy GSAR material is shaded The shading helps users to distinguish and identify those parts that are regulatory from those that apply internally to GSA Why buy a book you can download for free We print this book so you don't have to First you gotta find a good clean legible copy and make sure it's the latest version not always easy Some documents found on the web are missing some pages or the image quality is so poor they are difficult to read We look over each document carefully and replace poor quality images by going back to the original source document We proof each document to make sure it's all there including all changes If you find a good copy you could print it using a network printer you share with 100 other people typically it's either out of paper or toner If it's just a 10 page document no problem but if it's 250 pages you will need to punch 3 holes in all those pages and put it in a 3 ring binder Takes at least an hour It's much more cost effective to just order the latest version from Amazon.com This book is published by 4th Watch Publishing Co and includes copyright material We publish compact tightly bound full size books 8 by 11 inches with large text and glossy covers 4th Watch Publishing Co is a
