**General Joseph Bloomfield** Donald Johnstone Peck,2014-11-01 A longtime leader of the New Jersey Society for the Abolition of Slavery and founder of Thomas Jefferson's Democratic Republican Party in New Jersey to this day General Joseph Bloomfield is regarded as Woodbridge New Jersey's most illustrious citizen The great grandson of a founding family of the oldest chartered township in the state Joseph Bloomfield was both a lawyer and soldier but his elite background and Revolutionary War service quickly propelled him into political leadership and in time he was elected governor As the narrative of Bloomfield's life unfolds the reader steps back in time to trying political religious and social issues faced by the founders of the State of New Jersey and the United States of America Strongly influenced and driven to action by the religious enthusiasm of the Presbyterian Church and its political agenda based on rights General Bloomfield served with distinction in George Washington's Flying Camp During the course of the war he participated in the battles of Trenton Princeton Brandywine Germantown and Monmouth and endured harsh conditions at both Morristown and Valley Forge After a period of indecision General Bloomfield emerged as one of a few genuine landed aristocrats in New Jersey who was willing to join the Jefferson cause as opposed to the Federalist Party As governor he used his moral and political leadership to initiate the gradual emancipation of slavery in New Jersey with his signing of the Gradual Emancipation Act of 1804 He later served with distinction in the War of 1812 and was twice elected to the United States House of Representatives *Colonial Taverns of New Jersey* Michael C. Gabriele,2023-04 New Jersey was the Crossroads of the American Revolution and as battles raged colonial taverns formed the social network that held the state together Due to the demand for carriage travel between New York and Philadelphia New Jersey had myriad taverns along well traveled routes A haven for Patriots and Loyalists alike the colonial tavern was the main stage for key debates on the question of independence Once the war began they became recruitment stations for colonial militias and meeting places for local committees of safety George Washington used them as headquarters and safe houses for his spies and troops A Haddonfield tavern was the site where New Jersey's General Assembly declared itself a state not a colony independent from Britain Author Michael C Gabriele unearths intoxicating stories of New Jersey's colonial taverns **The Generals of Saratoga** Max M. Mintz,1992-07-29 This work offers an account of the Saratoga campaign of 1777 through the lives of its opposing generals John Burgoyne the British commander and Horatio Gates the American but British born commander The book portrays the two men and the events that developed around them It covers both the American and British dimensions of the campaign the only engagement in the Revolutionary War in which an all American army captured a major British force *A Centennial Edition of the History of the United States* Benson John Lossing,1876 **Lossing's New History of the United States** Benson John Lossing,1889 The Fate of the Day Rick Atkinson,2025-04-29 In the second volume of the landmark American Revolution trilogy by the Pulitzer Prize winning and 1 New York Times bestselling author of The British Are Coming George Washington's army fights

on the knife edge between victory and defeat The first twenty one months of the American Revolution which began at Lexington and ended at Princeton was the story of a ragged group of militiamen and soldiers fighting to forge a new nation By the winter of 1777 the exhausted Continental Army could claim only that it had barely escaped annihilation by the world s most formidable fighting force Two years into the war George III is as determined as ever to bring his rebellious colonies to heel But the king s task is now far more complicated fighting a determined enemy on the other side of the Atlantic has become ruinously expensive and spies tell him that the French and Spanish are threatening to join forces with the Americans Prize winning historian Rick Atkinson provides a riveting narrative covering the middle years of the Revolution Stationed in Paris Benjamin Franklin woos the French in Pennsylvania George Washington pleads with Congress to deliver the money men and materiel he needs to continue the fight In New York General William Howe the commander of the greatest army the British have ever sent overseas plans a new campaign against the Americans even as he is no longer certain that he can win this searing bloody war The months and years that follow bring epic battles at Brandywine Saratoga Monmouth and Charleston a winter of misery at Valley Forge and yet more appeals for sacrifice by every American committed to the struggle for freedom Timed to coincide with the 250th anniversary of the beginning of the Revolution Atkinson s brilliant account of the lethal conflict between the Americans and the British offers not only deeply researched and spectacularly dramatic history but also a new perspective on the demands that a democracy makes on its citizens
