Correctly Handling the Word of Truth Mees te Velde, Gerhard H. Visscher, 2014-10-24. How should the Word of God be interpreted and applied today? Does our modern culture affect how we read the Bible? Can certain passages be interpreted in different contexts and in different ways, all the while acknowledging that God speaks with a clear and consistent voice? These are the enduring challenges of hermeneutics. In this volume, no less than sixteen Reformed scholars from four different countries join together to tackle the hard questions that often arise when we busy ourselves with the weighty responsibility of interpreting Holy Scripture. As iron sharpens iron, so also these Reformed scholars challenge each other and their readers to ask not only how hermeneutics can be done but ultimately how it should be done so that God's Word of Truth may be handled correctly. 2 Tim 2:15. Eighty-three Different Questions (The Fathers of the Church, Volume 70) Saint

Augustine, 1982. No description available. **500 Questions & Answers from the Bible** Mark Fackler, 2006. For inquisitive readers of any age, adults and students alike, here is a book to shed light on the Bible's great questions. Where did the scripture come from? What is God really like? What do some of those confusing Bible passages really mean? More than 400 questions are answered in user-friendly language based on sound Christian doctrine. Arranged in canonical order, 500 Questions & Answers from the Bible is an excellent resource for regular Bible study. Its open design presents a wealth of information in an appealing, accessible format, and it is fully illustrated in color. At only \$9.97, it is a tremendous value.

Genesis 1-12 Tyndale House Publishers, 2007-10-15. A sneak peak at the upcoming release of the new standard in study Bibles. Featuring the clear and accurate New Living Translation, the NLT Study Bible goes beyond textual notations and personal application to illuminate the meaning of the text in its historical and literary context. Serious study that reaches the heart. **Over 200 Questions and Answers** James Reed, 2007-10. This collection of questions from those involved in spiritual warfare in the modern world is indexed both topically and by Scripture text references. *Got Questions?* S. Michael Houdmann, 2014-04-24. Everyone has questions. Young children ask why. Teenagers ask why not. Adults sometimes lament, what if? The God who created us and who loves us has given us the answers to life's most pressing questions in His Word. Yet many people have no idea that God has the answers and has made them available in the Bible. Whether it is a question about where we will spend eternity or how to deal with the pain of a broken relationship, you can be sure it has been asked and answered already on www.GotQuestions.org, the source for this book. Sadly, many individuals and ministries who

offer advice are not biblically and theologically solid That's why Got Questions is crucially needed a resource that answers questions explicitly from a biblical perspective with solid evangelical theology Written in an easy to understand format and organized in easy to follow sections Got Questions will help readers find the answers to the most frequently asked questions regarding spiritual matters The questions were asked by real people struggling through real life issues who received solid practical answers from the Bible The articles in this volume are compiled from the more than 3 800 frequently asked questions on our website which are read over 7 million times each month Some of the articles have been translated into 150 languages Many books present teaching in a question and answer format but few have delved into the questions that people are actually asking Having received and answered more than 380 000 questions Got Questions Ministries has a unique understanding of what questions are truly on people's minds

Demons and Spirits in Biblical Theology John H. Walton, J. Harvey Walton, 2019-05-10 Some people believe that a battle of cosmic proportions is raging as Satan and his demons seek to destroy Christians and undermine God's plans Others believe that all talk of demons in the Bible and theology only reflects pre modern superstitions that should be re interpreted in philosophical and psychological terms Despite their contrasts both believe that the Bible directly or indirectly intends to teach readers about reality Another path is possible What if references to demons in the Bible are similar to references about the shape and structure of the cosmos representing the beliefs familiar to the ancient audience but used only as a framework for teaching about the plans and purposes of God This approach is here worked out through detailed examination of hermeneutical method the ancient Near Eastern and Greco Roman contexts each of the biblical terms and passages and the essentials of biblical and systematic theology Unlike many scholarly treatments of demons readers will not find an assessment of the metaphysical realities Instead they will be introduced to a hermeneutical exegetical and theological feast regarding what the Bible understood in its ancient context teaches

Selfish Genes and Christian Ethics Neil Messer, 2007-03-30 The evolutionary origins of human beings and in particular the origins of human morality have always attracted debate and speculation not just in the academic community but in popular science and the wider general population as well The arguments and explanations put forward over the years seem to thoroughly catch the popular imagination but there is the danger that these explanations tend to step outside the bounds of scientific theory and become powerful popular myths instead In Neil Messer's Selfish Genes and Christian Ethics the author is challenging this tendency Instead he provides a Christian theological anthropology which among other things aims to give Christians and the churches the confidence to engage with assumptions that evolutionary theory and religious beliefs are untenable This is a valuable resource for anyone engaged in the study of theology providing the reader with the ability to consider both the theoretical and the practical questions raised by evolutionary discussions of ethics and morality
