The Serpent's Lie Miguel A. Valembun Jr., It started with a lie the fall of our ancestors The serpent said their eyes would be opened and they would be as gods but death came instead just as the Creator had warned Thousands of years later in the time we call Now human beings have forgotten their origin Our spirits beckon us to seek the truth and confront our past To do so we must time travel to the very beginning and discover the lie that shaped the reality we now know The Serpent s Lie was written for anyone who wants to better understand the Biblical book of Genesis It presents the accounts of Genesis in a thought provoking way showing how amazingly accurate the first book of the Bible is both historically and scientifically This is a different kind of book that dares to challenge lies and misconceptions concerning our existence and
