Japanese Grammar: A Workbook for Self-Study Masahiro Tanimori, 2021-04-27 If you've mastered the basics of Japanese grammar and are ready to move to the next level this book is for you. Each of the 12 chapters is devoted to one widely used sentence structure and its variations. Chapters are broken down into the following easy-to-follow components: Clear presentation of model sentences; Breakdown and explanation of the grammar of key sentence patterns; Controlled practice exercises such as filling in the blanks and imitating model sentences; Free practice exercises using the target sentence structure to create your own sentences; Reading comprehension practice of narrative text and dialogues for consolidation. Online audio files recorded by a native speaker are available for all key Japanese dialogues and all texts are written in Japanese characters with romanized Japanese and English translation, making the book accessible even for students who have not yet mastered Japanese script. The book is illustrated throughout with drawings that reinforce the meaning of the written text. Japanese Grammar A Workbook for Self Study is ideal for anyone studying for the JLPT N3 test or the AP Japanese Language and Culture test. It is perfect for post-beginners who want to move quickly to the next level and for intermediate students who want to review and perfect their grammar skills.

Basic Japanese Shoko Hamano, Takae Tsujioka, 2014-06-11 Basic Japanese A Grammar and Workbook comprises an accessible reference grammar and related exercises in a single volume. This book presents 25 individual grammar points covering the core material which students would expect to encounter in their first year of learning Japanese. Divided into two parts, the first part outlines fundamental components of Japanese including the writing system, pronunciation, word order, particles and conjugation patterns, while the second part builds on this foundation by introducing basic grammatical patterns organised by the task they achieve. Grammar points are followed by contextualised examples and exercises which allow students to reinforce and consolidate their learning. Key features include: clear, accessible format; many useful language examples; transliteration of all examples; jargon-free explanations of grammar; abundant exercises with full answer key; subject index. Basic Japanese is suitable both for class use and independent study, making it an ideal grammar reference and practice resource for both beginners and students with some knowledge of the language.

The Smile A. R. Easterling, 2015-07-30 This is a story of love. Love which is the same no matter the soul's shell. No one should have to be ashamed of the people they love as we are all human. I love you. Who would have ever thought the words which caused me such dread in the past could ever come to sound so beautiful and feel so very wonderful. Returning to Japan after the loss of his mother, Hitori hopes to start anew. He enters school and longs to make new friends. Quickly he realizes that friendship will not be the only thing he finds. Befriending a quiet classmate, Hitori finds himself falling hopelessly in love. Akaya is a shy, quiet boy who finds himself stumbling through life, afraid of many things. At first he is bothered by the outrageous look of the new student. Before long, however, he comes to enjoy the company of the blue-haired man and wonders how he made it so long without a friend like Hitori. As their friendship blossoms, then turns to

love the boys have to learn to ignore harsh words from school society and family alike Despite this their love grows and soon they realize soul mates really do exist The sun shines brighter than ever before and the nights aren't nearly as cold as they once were Love has finally warmed the two distraught souls and created an illusion of serenity As seasons change the boys continue to defy society and become something magical But upon receiving horrible news from his mother everything in Akaya's life changes When a time limit is placed on their love the boys fight to make their remaining time together something meaningful Love becomes their whole life as they realize they may not get the fairytale ending to their relationship Without him I am like a book ripped in half Without the beginning you would surely be confused and without the end you will never be fulfilled What could tear these two apart After fighting past societal norms school bullying and angry parents what could finally break them apart
