Walter Parker,2009 The author wrote this new edition of the most popular elementary social studies methods text on the  
market with the following three goals in mind to present the most powerful social studies content and pedagogy for children  
in elementary school to offer the material in simple and accessible ways and to write in a first person active voice The  
purpose of this book is to introduce new teachers to the world of social studies teaching and learning in elementary and  
middle schools Geography history government and the other social sciences are delivered into the palm of the new teacher s  
hand along with a suite of tools for bringing social studies to life in the classroom The book is organized into three sections  
the first orients the reader to the mission of social studies education to the increasingly diverse children we teach the second  
concentrates on the curriculum and the third deals with instruction how we plan and teach this curriculum Three central  
themes continue to pervade the book democratic citizenship diversity and the social sciences to ultimately encourage  
teachers to excite their students about closing the gap between social realities and democratic ideals An exceptionally strong  
chapter on multicultural issues Chapter 2 helps future teachers truly understand the changing demographics of the American  
classroom Abridged NCSS standards and their classroom applications are automatically packaged with every copy of the
