Weygandt,Donald E. Kieso,2010-12-01 With this fourth edition accountants will acquire a practical set of tools and the
confidence they need to use them effectively in making business decisions It better reflects a more conceptual and decision
making approach to the material The authors follow a macro to micro strategy by starting with a discussion of real financial
statements first rather than starting with the Accounting Cycle The objective is to establish how a financial statement
communicates the financing investing and operating activities of a business to users of accounting information This motivates
accountants by grounding the discussion in the real world showing them the relevance of the topics covered to their careers

Financial Accounting Paul D. Kimmel,Jerry J. Weygandt,Donald E. Kieso,2010-10-25 This successful book continues to
provide accountants with an understanding of the fundamental concepts necessary to use accounting effectively The sixth
edition offers new discussions on IFRS including new codification numbers examples of IFRS financial statements and
additional exercises A look at more recent frauds such as the Bernie Madoff scandal have been added Enhanced discussions
of ethics and international accounting are presented The coverage of non cash items and their impact on decision making has
been expanded In addition comprehensive case studies and problems help accountants tie the material together *Annual*
