Joe Goulds Secret Joseph Mitchell:

Joe Gould's Secret Joseph Mitchell, 2016-01-26 The story of a notorious New York eccentric and the journalist who chronicled his life A little masterpiece of observation and storytelling Ian McEwan Joseph Mitchell was a cornerstone of the New Yorker staff for decades but his prolific career was shattered by an extraordinary case of writer s block For the final thirty two years of his life Mitchell published nothing And the key to his silence may lie in his last major work the biography of a supposed Harvard grad turned Greenwich Village tramp named Joe Gould Gould was in Mitchell s words an odd and penniless and unemployable little man who came to this city in 1916 and ducked and dodged and held on as hard as he could for over thirty five years As Mitchell learns more about Gould s epic Oral History a reputedly nine million word collection of philosophizing wanderings and hearsay he eventually uncovers a secret that adds even more intrigue to the already unusual story of the local legend Originally written as two separate pieces Professor Sea Gull in 1942 and then Joe Gould s Secret twenty two years later this magnum opus captures Mitchell at his peak As the reader comes to understand Gould s secret Mitchell s words become all the more haunting This ebook features an illustrated biography of Joseph Mitchell including rare images from the author s estate

Joe Gould's Teeth Jill Lepore, 2017-04-18 From New Yorker staff writer and Harvard historian Jill Lepore the dark spellbinding tale of her restless search for the missing longest book ever written a century old manuscript called The Oral History of Our Time Joe Gould s Teeth is a Poe like tale of detection madness and invention Digging through archives all over the country Lepore unearthed evidence that The Oral History of Our Time did in fact once exist Relying on letters scraps and Gould s own diaries and notebooks including volumes of his lost manuscript Lepore argues that Joe Gould s real secret had to do with sex and the color line with modernists relationship to the Harlem Renaissance and above all with Gould s terrifying obsession with the African American sculptor Augusta Savage In ways that even Gould himself could not have imagined what Gould wrote down really is a history of our time unsettling and ferocious

Joe Gould's Teeth Jill Lepore, 2016-05-17 From New Yorker staff writer and Harvard historian Jill Lepore the dark spellbinding tale of her restless search for the long lost longest book ever written a century old manuscript called The Oral History of Our Time Joe Gould a madman believed he was the most brilliant historian of the twentieth century So did some of his friends a group of modernist writers and artists that included E E Cummings Marianne Moore William Carlos Williams John Dos Passos and Ezra Pound Gould began his life s work before the First World War announcing that he intended to write down nearly everything anyone ever said to him I am trying to preserve as much detail as I can about the normal life of every day people he explained because as a rule history does not deal with such small fry By 1942 when The New Yorker published a profile of Gould written by the reporter Joseph Mitchell Gould s manuscript had grown to more than nine million words But when Gould died in 1957 in a mental hospital the manuscript was nowhere to be found Then in 1964 in Joe Gould s Secret a second profile Mitchell claimed that The Oral History of Our Time had been all along merely a figment of Gould s imagination

Lepore unpersuaded decided to find out Joe Gould's Teeth is a Poe like tale of detection madness and invention Digging through archives all over the country Lepore unearthed evidence that The Oral History of Our Time did in fact once exist Relying on letters scraps and Gould's own diaries and notebooks including volumes of his lost manuscript Lepore argues that Joe Gould's real secret had to do with sex and the color line with modernists relationship to the Harlem Renaissance and above all with Gould's terrifying obsession with the African American sculptor Augusta Savage In ways that even Gould himself could not have imagined what Gould wrote down really is a history of our time unsettling and ferocious Insights on Literary Journalism Kevin M. book has done BOOK JACKET *Profile Pieces* Sue Joseph, Richard Lance Keeble, 2015-10-14 This book examines the history theory and journalistic practice of profile writing Profiles and the practice of writing them are of increasing interest to scholars of journalism because conflicts between the interviewer and the subject exemplify the changing nature of journalism itself While the subject often through the medium of their press representative struggles to retain control of the interview space the journalist seeks to subvert it This interesting and multi layered interaction however has rarely been subject to critical scrutiny partly because profiles have traditionally been regarded as public relations exercises or as soft journalism However chapters in this volume reveal not only that profiling has historically taken many different forms but that the idea of the interview as a contested space has applications beyond the subject of celebrated individuals The volume looks at the profile s historical beginnings at the contemporary manufacture of celebrity versus the ordinary at profiling communities countries and movements at profiling the destitute at sporting personalities and finally at profiling and trauma **Library of Congress Catalogs** Library of Congress, 1970 *Le secret de Joe Gould* Joseph Mitchell, 2000 Dans le New York de l après guerre Joseph Mitchell imposa un nouveau style journalistique avec ses portraits d une surprenante humanité Plus que tout il aimait les marginaux les imposteurs les fanatiques et les mes perdues Ces qualificatifs s appliquent parfaitement Joe Gould vagabond crivain de Greenwich Village qu il rencontra en 1942 et qui lui inspira ses deux plus beaux articles réunis dans *Le Secret de Joe Gould* Ce livre culte c l bre dans le monde entier est traduit en français pour la première fois Joseph Mitchell est un cas rare et précieux la fois artiste et reporter *Le Secret de Joe Gould* est une merveille classer au même rang que les plus grands chefs d œuvre de la littérature Salman Rushdie Voilà ce qu aurait pu écrire Borges s il avait été originaire de New York Martin Amis Un bon conseil maintenant que ce livre est enfin disponible ne vous contentez pas de le lire faites des provisions d exemplaires offrir au cas où Julian Barnes
