I, Citizen Tony Woodlief,2021-12-07 This is a story of hope but also of peril It began when our nation s polarized political class started conscripting everyday citizens into its culture war From their commanding heights in political parties media academia and government these partisans have attacked one another for years but increasingly they ve convinced everyday Americans to join the fray Why should we feel such animosity toward our fellow citizens our neighbors even our own kin Because we ve fallen for the false narrative eagerly promoted by pundits on the Left and the Right that citizens who happen to vote Democrat or Republican are enthusiastic supporters of Team Blue or Team Red Aside from a minority of party activists and partisans however most voters are simply trying to choose the lesser of two evils The real threat to our union isn t Red vs Blue America it s the quiet collusion within our nation s political class to take away that most American of freedoms our right to self governance Even as partisans work overtime to divide Americans against one another they ve erected a system under which we ordinary citizens don t have a voice in the

decisions that affect our lives From foreign wars to how local libraries are run authority no longer resides with We the People but amongst unaccountable officials The political class has stolen our birthright and set us at one another s throats This is the story of how that happened and what we can do about it America stands at a precipice but there s still time to reclaim authority over our lives and communities *Destruction of Justice* Lawrence Davis,2019-04-28 An out of practice wizard turned investigator must protect another life in this urban fantasy mystery for fans of Jim Butcher and Benedict Jacka Janzen Robinson is no longer a man torn between two worlds having decided to come off the bench and dive head first into Cleveland s magical underworld With his new partner and perpetually exhausted friend Grove he s just starting to get a handle on all the supernatural happenings when disaster shows up at their doorstep and doesn t even have the decency to knock Gale stands accused of disrupting the Balance and Janzen finds himself abruptly tasked with finding out who s behind the accusation It s a charge as serious as it is vague at least to Janzen but that doesn t stop the two governing bodies of the In Between from showing up in his hometown and unleashing a Blind Judge to exact justice The House of Unet and the Tribe of Masarou don t share Janzen s sense of humor nor do they have anything in the way of patience or lenience when it comes to dealing with infractions of their laws Janzen s already impossible job only gets harder when he finds the fingerprints of old enemies all over this case Now with a wanted fugitive hiding in their makeshift headquarters and the entire magic community painting a target on his back Janzen and Grove must step outside their normal alliances for help while attempting to stay ahead of the brutal enforcers hot on their trail in their attempt to get to the bottom of who it was that framed Gale
