Kari Hotakainen Juoksuhaudantie:

Misery Loves Company Mia M. Spangenberg, 2006 **Juoksuhaudantie** Kari Hotakainen, 2010-06-01 Palkittu romaani kivusta talosta ja taipumattomuudesta kotirintamamies Matti Virtasen kujanjuoksu suomalaisen unelman perässä kylläiksi Finlandia palkinto 2002 Pohjoismaiden neuvoston kirjallisuuspalkinto 2004 **Performative Histories, Foundational Fictions** Anu Koivunen, 2003-09-17 Films are integral to national imagination Promotional publicity markets domestic films not only as entertaining exciting or moving but also as topical and relevant in different ways Reviewers assess new films with reference to other films and cultural products as well as social and political issues Through such interpretive framings by contemporaries and later generations popular cinema is embedded both in national imagination and endless intertextual and intermedial frameworks Moreover films themselves become signs to be cited and recycled as illustrations of cultural social and political history as well as national mentality In the age of television old films continue to live as history and memory In *Performative Histories Foundational Fictions* Anu Koivunen analyzes the historicity as well as the intertextuality and intermediality of film reception by focusing on a cycle of Finnish family melodrama and its key role in thinking about gender sexuality nation and history Close reading posters advertisements publicity stills trailers review journalism and critical commentary she demonstrates how *The Women of Niskavuori* 1938 and 1958 *Loviisa* 1946 *Heta Niskavuori* 1952 *Aarne Niskavuori* 1954 *Niskavuori Fights* 1957 and *Niskavuori* 1984 have operated as sites for imagining our agrarian past our Heimat and heritage as well as the strong Finnish woman or the weak man in crisis Based on extensive empirical research Koivunen argues that the *Niskavuori* films have mobilized readings in terms of history and memory feminist nationalism and men's movement left wing allegories and right wing morality as well as realism and melodrama Through processes of citation repetition and recycling the films have acquired not only a heterogeneous and contradictory interpretive legacy but also an affective force Names in Focus Terhi Ainala, Minna Saarelma, Paula Sjöblom, 2012 *Names in Focus* delves deep into the vast field of Finnish onomastics covering place names personal names animal names commercial names and names in literature It provides the history and current trends in this area of research and also supplements international terminology with the Finnish point of view on the subject Brimming with examples and clear explanations the book can be enjoyed by the most studious of researchers as well as the casual reader who has a genuine interest in the study of names **Culture, Suicide, and the Human Condition** Marja-Liisa Honkasalo, Miira Tuominen, 2014-03-01 Suicide is a puzzling phenomenon Not only is its demarcation problematic but it also eludes simple explanation The cultures in which suicide mortality is high do not necessarily have much else in common and neither is a single mental illness such as depression sufficient to lead a person to suicide In a word despite its statistical regularity suicide is unpredictable on the individual level The main argument emerging from this collection is that suicide should not be understood as a separate realm of pathological behavior but as a form of human action As such it is always dependent on the decision that the individual makes in a cultural ethical

and socio economic context but the context never completely determines the decision This book also argues that cultural narratives concerning suicide have a problematic double function in addition to enabling the community to make sense of self inflicted death they also constitute a blueprint depicting suicide as a solution to common human problems Voices of pedagogical development - Expanding, enhancing and exploring higher education language learning Juha Jalkanen, Elina Jokinen, Peppi Taalas, 2015-09-15 Voices of Pedagogical Development is a collection of articles written by teacher researchers at the University of Jyväskylä Language Centre It shares the fruits of their ideas and development work in the areas of academic literacies new forms of teaching and learning and internationalisation Part one aims at establishing and expanding perspectives on the multilayered and multivoiced reality of pedagogical development in higher education Part two looks at how practices can be enhanced by engaging teachers students and other cooperating partners in reflection and development Part three focuses on exploring perceptions of language language learning and literature As a whole the collection represents a spectrum of approaches and shows the various stages of pedagogical thinking and perception It provides insights into pedagogical development in higher education language teaching through an examination of policies perceptions and practices **Insight Guides: Finland** Insight Guides, 2014-05-14 Kayak in the serene Lakeland enjoy a cruise on the Baltic or take in the splendour of the Northern Lights in Lapland Insight Guide Finland helps you get the best out of this outdoor paradise The guide has been fully updated by our expert Scandinavia author for this new edition which also features Insight's trademark stunning photography and more information on culture and history than any other guide Whether you're heading for the cool capital Helsinki or Lapland in the far north this book tells you everything you need to know and also helps you enjoy all the unmissable Finnish experiences such as relaxing in a traditional sauna and cycling around the gorgeous land archipelago Full colour highly detailed maps throughout will help you get around and travel tips give you all the information you need to plan a memorable trip including our selection of the best and most authentic hotels and restaurants **Insight Guides Finland (Travel Guide eBook)** Insight Guides, 2019-12-01 Insight Guides England Travel made easy Ask local experts Inspirational travel guide with fascinating historical insights and stunning imagery From deciding when to go to choosing what to see when you arrive this guide to Finland is all you need to plan your perfect trip with insider information on must see top attractions like Kiasma Helsinki Lapland Lakeland the Åland archipelago and Sibelius Hall Lahti and cultural gems like Karelia's Russian Orthodox history the Lenin Museum and SIIDA in Inari Features of this travel guide to Finland Inspirational colour photography discover the best destinations sights and excursions and be inspired by stunning imagery Historical and cultural insights immerse yourself in Finland's rich history and culture and learn all about the Northern lights Saimaa ringed seals Saps and Iittala glassware Practical full colour maps with every major sight and listing highlighted the full colour maps make on the ground navigation easy Editor's Choice uncover the best of Finland with our pick of the region's top destinations Key tips and essential information packed full of important travel
