A Discourse Analysis of the 'Trumpusconi' Phenomenon

Giuseppina Scotto di Carlo, 2020-11-24 Is Trump our contemporary Berlusconi In 2015 Frank Bruni coined the term Trumpusconi when the media noticed some similarities between the then US presidential candidate Donald Trump and Italy's former Prime Minister Silvio Berlusconi At that time while many Italians joked about Trump as a d j vu scholars began to analyse these two political outsiders in an attempt to imagine Trump's probable presidency by studying Berlusconi's career Regardless of any political view it is against this background that this work analyses these two political figures through discourse analysis to understand whether their similarities go beyond their personality traits and lifestyles The work is divided into two sections the first part provides some information on Berlusconi and Trump's socio cultural origins and educational backgrounds their first steps in their real estate careers their progression into the world of media and politics and their relationships with women The second part of the study proposes a discourse analysis performed on a corpus of speeches held by each politician at the beginning of their political career in order to understand whether their personalities and lifestyles are reflected in their idiolects The book partially confirms the media's ideas about the Trumpusconi phenomenon acknowledging some similarities between the two moguls However it also shows that Berlusconi and Trump belong to two different eras even if Berlusconi's lifestyle language scandals and politics will continue to negatively and positively influence Italy for many years to come the era of social media is leading the world towards models that differ from those of his time Western politics is becoming ever more similar to a form of infotainment and Trump is the perfect incarnation of this evolution Only time will reveal his long term legacy

Mamma Mia Beppe Severgnini, 2011-10-25 What is it

in the operatic Italian psyche that allows indeed forgives even applauds Italy's premier for conducting a lifestyle as decadent as a Fellini extravaganza while organizing an ongoing string of questionable behaviors and politically incorrect gaffes not seen since the days of Nero. All this and yet Mr Berlusconi remains completely understood by so many of his countrymen some of whom keep coming back for more. Best selling writer Beppe Severgnini who by explaining America to Italians humorously immortalized American behavior in his book *Ciao America* now turns his sights on his own countrymen. Through witty yet substantive anecdotes touching on Italy's current political and economic climate Severgnini decodes the Italian premier's style and appeal exploring his rise to power and creating a compulsively readable portrait of Italy today.

La Bella Lingua Dianne Hales, 2009-05-12 A celebration of the language and culture of Italy. *La Bella Lingua* is the story of how a language shaped a nation told against the backdrop of one woman's personal quest to speak fluent Italian. For anyone who has been to Italy the fantasy of living the Italian life is powerfully seductive. But to truly become Italian one must learn the language. This is how Dianne Hales began her journey. In *La Bella Lingua* she brings the story of her decades long experience with the world's most loved and lovable language together with explorations of Italy's history literature art music movies lifestyle and food in a true opera amorosa a labor of her love of Italy. Over the course of twenty five years she has studied Italian through Berlitz books CDs podcasts private tutorials and conversation groups and most importantly time spent in Italy. In the process the Italian language became not just a passion and a pleasure but a passport into Italy's storia and its very soul. She invites readers to join her as she traces the evolution of Italian in the zesty graffiti on the walls of Pompeii in Dante's incandescent cantos and in Boccaccio's bawdy Decameron. She portrays how social graces remain woven into the fabric of Italian even the chipper ciao which does double duty as hi and bye reflects centuries of bella figura. And she exalts the glories of Italy's food and its rich and often uproarious gastronomic language. Italians deftly describe someone uptight as a baccalà dried cod a busybody who noses into everything as a prezzemolo parsley a worthless or banal movie as a polpettone large meatball. Like Dianne readers of *La Bella Lingua* will find themselves innamorata enchanted by Italian fascinated by its saga tantalized by its adventures addicted to its sound and ever eager to spend more time in its company.

Quando eravamo felici Corrado De Rosa, 2023-05-26 Il 3 luglio del 1990 allo stadio San Paolo di Napoli va in scena la semifinale del campionato del mondo tra l'Italia paese organizzatore e l'Argentina detentrica del titolo. C'ottimismo sugli esiti della partita gli azzurri hanno vinto tutti gli incontri disputati finora e non hanno subito neanche una rete. Ma c'è anche una sottile paura per chi tra gli avversari che alle carenze di gioco suppliscono con un'applicazione e una grinta feroci c'è Diego Armando Maradona. La partita si concluderà ai calci di rigore e la sconfitta dell'Italia segnerà un punto di non ritorno per una generazione che si formata nell'ottimismo degli anni Ottanta lontana dagli anni di piombo esaltata dal benessere economico e dal crollo del Muro di Berlino ma destinata ad affrontare la crisi dei primi Novanta tra stragi di mafia Tangentopoli fine della prima Repubblica. Quando eravamo felici parla di calcio di illusione per una vittoria che sembrava già scritta di crolli emotivi. E

di Diego Armando Maradona artefice della sconfitta degli azzurri e per questo abbandonato da chi lo proteggeva e destinato a una fine ingloriosa quando le sue vicende di droga diverranno di dominio pubblico Con passione e precisione Corrado De Rosa racconta un'epoca e dimostra ancora una volta sulle orme dei più grandi scrittori e giornalisti che se ne sono occupati prima di lui da Giovanni Arpino a Gianni Brera come il calcio possa essere una gigantesca metafora della vita e dell'identità di una nazione *ComEducazione.
