

VI^{ème} Congrès de l'Association Française de Science Politique
Rennes, 28 septembre-1^{er} octobre 1999

Séance plénière animée par Jean LECA :

"Intelligibilités de l'action politique. Quand la science politique rencontre la philosophie" (vendredi 1^{er} octobre)

DE MACHIAVEL AU RÉGIME D'ACTION MACHIAVÉLIEN
Philosophie politique et sociologie politique
Philippe CORCUFF
(CERIEP-Centre de politologie de Lyon et GSPM-EHESS)

Le texte machiavélien, justement par la place de choix qu'on lui accorde traditionnellement dans la genèse intellectuelle tant de la philosophie politique que de la science politique, me semble offrir un terrain propice pour commencer à évaluer le contentieux entre sociologie politique - qui est devenue ces dernières années le cœur de la science politique en France - et la philosophie, qui avec la philosophie politique a un pied dans la science politique. Le texte machiavélien ainsi revisité pourrait alors se révéler utile pour esquisser de nouveaux passages entre sociologie politique et philosophie politique.

Il ne s'agit pas de proposer un nouveau commentaire détaillé du *Prince* (écrit en 1513, 1^{re} éd. posthume : 1532)¹, ni encore moins de passer en revue les multiples interprétations et usages qui en ont été faits, mais plus modestement de mieux saisir des points de jonction entre science politique et philosophie. Les blocages actuels dans les rapports entre science politique et philosophie comme la routinisation d'un vocabulaire utilitariste dans notre discipline autorisent alors à tirer un des fils possibles de la lecture de Machiavel, un des fils qui jusqu'à présent a été justement le moins sollicité. Cette tentative devra tenir compte de la double pluralité caractéristique de notre métier de politiste soulignée dans le texte de problématisation de cette séance : pluralité des univers et des logiques de référence du côté des acteurs, du côté du social-observé, et pluralité des outils conceptuels du côté des chercheurs, du côté du social-observant. Je m'appuierai, pour ce faire, sur une double expérience : 1^{re}) en tant qu'enseignant la philosophie politique, particulièrement sensible à l'interprétation avancée par Maurice Merleau-Ponty du texte machiavélien (Merleau-Ponty, 1960), et 2^{de}) en tant que chercheur en sociologie politique travaillant, dans le sillage de la sociologie des régimes d'action initiée par Luc Boltanski et Laurent Thévenot, sur un régime dit tactique-stratégique ou "machiavélien". Plusieurs terrains empiriques ont pu ainsi être explorés : dans le champ de l'action publique, un processus décisionnel concernant l'aéroport de Lyon Satolas, avec Max Sanier, ou un projet d'aménagement par Claudette Lafaye; dans le champ de l'action collective, les mouvements de prostituées par Lilian Mathieu, la lutte écologique contre le tunnel du Somport et l'association Droit Au Logement (DAL) par Eric Doidy, ou encore le syndicat SUD PTT par Hélène Pernot.

Je procéderai en deux temps : tout d'abord, je m'arrêterai sur des points de jonction contestables entre la science politique et le texte machiavélien, puis j'envisagerai des déplacements dans ces rapports.

¹ On utilisera la traduction d'Yves Lévy (Machiavel, 1992).

La Pensée Politique De Machiavel Une Brève Introduction

M Lipman

La Pensée Politique De Machiavel Une Brève Introduction:

Eventually, you will certainly discover a further experience and execution by spending more cash. yet when? pull off you take that you require to get those all needs when having significantly cash?
