Mircea Eliade, 2020-05-15T00:00:00+02:00 Mito simbolo e rito sono le costanti del sacro che dall'alba dell'umanità accompagnano i gruppi umani e i popoli innervando le loro culture. Dopo centinaia di migliaia d'anni di storia con la sedentarizzazione nascono le divinità e gli dei. Nel lungo percorso culturale dell'umanità alle costanti del sacro si accompagnano così credenze e concettualizzazioni sino al formarsi di quelle che noi oggi chiamiamo le grandi religioni: induismo, buddhismo, taoismo, scintoismo, ebraismo, cristianesimo, islam. Se al fondo di ogni religione c'è dunque la comunanza dell'homo religiosus si sviluppano anche relevantissime diversità che danno luogo al politeismo e ai monoteismi, al dualismo, al panteismo e agli ateismi. La creatività religiosa dell'uomo ha sviluppato credenze e complessi sistemi di riferimento per la vita di intere popolazioni che di volta in volta hanno subito crisi e sono stati riformati. Dopo quello del Mito dei Simboli dei Riti e delle Religioni, questo Dizionario delle credenze religiose rappresenta dunque una guida indispensabile per orientarsi nelle credenze e nelle concezioni religiose che si sono sviluppate lungo la storia dell'uomo. Il libro, composto da numerose voci ordinate alfabeticamente, redatte dai massimi studiosi internazionali, specialisti nelle diverse tematiche: Anima, ateismo, fede, feticcio, metafisica, monoteismo, oltretomba, ragione, religione, resurrezione, ecc., sono porte di accesso alla conoscenza di mondi vicini e lontani che tuttavia ci riguardano indistintamente in ragione della nostra comune appartenenza al genere umano.

In 2022 Mintel found that walking is the UK's most popular active holiday, while in June 2023 the New York Times ran a headline that claimed 2023 as the year of the walk. Whether it's setting off on a long walk or going walking for the day, it doesn't get much better than doing it in Italy. Italy has it all: mountains, hilltop towns, medieval squares, olive groves, vineyards, Renaissance art routes which speak the stories of people and places. This is a book about walking that's not necessarily for walkers. It's for those who love walking and go regularly, but it's also aimed at beginners, those of us who enjoy a walk followed by lunch or dinner in a medieval square and a night at a cosy B & B. Maybe you'll never actually go on any of the walks.

This is also the book for you It s full of the history and stories of routes and places so you can go on your own journey from the comfort of your living room It gives you all the relevant links you ll need such as up to date maps detailed routes GPS navigation updates further reading and advice on the walking itself Start reading start dreaming and maybe you too could be walking through Italy soon
