LE FÉMINISME IDÉOLOGIQUE A TOUT FAUX

Je fais la distinction entre un féminisme pratique et un féminisme idéologique.

Le premier veut concrètement améliorer la vie des femmes, le second veut seulement les utiliser pour poursuivre un agenda pernicieux. Malheureusement, c'est ce féminisme idéologique qui a triomphé de partout aujourd'hui : dans les médias, les universités, et même la politique. Pire, cette idéologie fausse et mensongère se radicalise progressivement, leurrant par conséquent toujours plus de femmes qu'elle prétend pourtant aider.

Par sa faute, les deux sexes se trompent de cibles, se séparent, et commencent même à se haïr.

Ainsi, pour le bien de tous, il faut savoir combattre ce féminisme contemporain : cet essai donne tous les arguments pour ce faire, en plus d'offrir une réflexion plus large sur les relations entre les hommes et les femmes dans notre société postmoderne. Veut-on vraiment la séparation, conclusion inévitable de l'indifférenciation ?

Language and Linguistics Category The emergence of transgender communities into the public eye over the past few decades has brought some new understanding but also renewed outbreaks of violent backlash In Transgender Translation

Translingual Address Douglas Robinson seeks to understand the translational or translingual dialogues between cisgendered and transgendered people Drawing on a wide range of LGBT scholars philosophers sociologists sexologists and literary voices Robinson sets up cis trans dialogues on such issues as being born in the wrong body binary vs anti binary sex gender identities and the nature of transition and transformation Prominent voices in the book include Kate Bornstein C Jacob Hale and Sassafras Lowrey The theory of translation mobilized in the book is not the traditional equivalence based one but Callon and Latour s sociology of translation as speaking for someone else which grounds the study of translation in social pressures to conform to group norms In addition however Robinson translates a series of passages from Finnish trans novels into English and explores the translingual address that emerges when those English translations are put into dialogue with cis and trans scholars
