*Glimpses of God* Cookie Magee, DMin, 2023-04-24 *Glimpses of God* are opportunities to recognize with greater clarity the presence of God in the various places people events circumstances objects and languages of our daily life I offer them to you as an opportunity to reflect on how much God is a part of your life and how He has chosen to be in relationship with you how you have chosen to be in relationship with Him and how through this relationship you become one of His greatest Glimpses They are glimpses because we can miss them if we are not paying attention If we open our heart to His love our ears to hear his gentle whisper our eyes to see His light our hands to feel His hand in ours and our feet to walk with Him then we are growing in our relationship with our God and exuding His presence in a clear and vibrant way I believe that it is in and through this relationship that we are able to recognize His invitation to be a Glimpse to others on our life I believe it is then that we see more clearly His presence within ourselves As we recognize His presence within ourselves and strive to see it more readily in others then we grow not only in love with our God self and others we are filled with a deeper peace a greater joy and a sense of being beloved If we are open to sharing these gifts with others then we too are being a Glimpse of God to those in our family our neighborhood our community our society our church our friends those we encounter on a daily basis and even the stranger

*The Trial and Death of Jesus Christ* James Stalker, 1894 *From Faith to Fun* Russell Heddendorf, 2009-02-26 Abraham and Sarah were presented with a paradox when God told them they would have a son in their old age Paradox in the Old Testament plays an important part in the dialogue between God and the

Jews In the New Testament paradox is prominent in Jesus teaching and helps to explain the Christian understanding of salvation

**The Love Revolution** Joyce Meyer, 2009-09-22 Joyce Meyer is not satisfied with the status quo She believes that we each need to become a revolutionary and practice love every day And if Joyce has her way the revolution will spread person by person house by house town by town until the old culture of selfishness and greed gives way to a new culture of concern for others The book is a revolutionaries manual a hands on primer for bringing the Golden Rule to life in the twenty first century Meyer starts out by giving some stunning statistics Right now 210 000 children will die this week because of poverty 640 million children do not have adequate shelter every day 3 000 children are abducted into the sex trafficking industry every day 16 000 children die from hunger related causes She goes on to say that although crisis is global the solution is local We can t solve the world s problems but that isn t a reason to remain idle Love Revolution focuses on personal behavior on the local scale It s not just a call to action it is a call to being being the person who goes out of your way to encourage someone who s out of hope being the one who smiles at a stranger being the one who is willing to do something for nothing The paradox when we do something for nothing what we often get is something far greater
