Clinical Handbook of Couple Therapy, Fourth Edition Alan S. Gurman, 2008-06-24 This authoritative handbook provides a definitive overview of the theory and practice of couple therapy. Noted contributors, many of whom developed the approaches they describe, combine clear conceptual exposition with thorough descriptions of therapeutic techniques. In addition to presenting major couple therapy models in step-by-step detail, the book describes effective applications for particular populations and problems. Chapters adhere closely to a uniform structure to facilitate study and comparison, enhancing the book's utility as a reference and text. See also *Clinical Casebook of Couple Therapy*, also edited by Alan S. Gurman, which presents in-depth illustrations of treatment. *Handbook for Human Sexuality Counseling* Angela M. Schubert, Mark Pope, 2022-09-20 Sexuality is a significant part of the human experience, yet it is often a neglected topic in both counselor training and the counseling process. In this preeminent guide, expert clinicians with a variety of mental health and medical backgrounds write on diverse issues related to sexuality through a radical acceptance lens. Each chapter illustrates an affirmative and expansive approach to sexuality that considers clients' sexual and cultural identities and emphasizes sexual wellness. Students and professionals alike will learn how to respectfully and ethically approach sexuality considerations not commonly mentioned in the professional literature, such as sexuality and disability, healing after sexual violence, older adult sexuality, the impact of chronic illness on sexual expression, and paraphilias. The text is organized around eight comprehensive parts: Foundations, Physiological and Psychological Attraction, Orientation and Gender, Sexual Wellness, Sexual Agency, Approaches to Sexual Divergence, Relationships, and Education, with case examples. Questions You Always Wanted to Ask and additional resources are interwoven throughout. **The Quick-Reference Guide to Sexuality & Relationship Counseling** Dr. Tim Clinton, Dr. Mark Laaser, 2010-04-01 One of the foremost counseling needs in our day is help with sexuality and relationship issues.
