Excerpt from the Declaration of Independence

What the Excerpt Means

Excerpt #1: "When in the course of human events it becomes necessary for one people to dissolve the political bands which have connected them with another and to assume, among the powers of the earth, the separate and equal station to which the laws of nature and of nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation."	Translation _____	Translation A: England has repeatedly interfered with colonists' rights. In doing so, it has unfairly ruled over the American colonies.
Excerpt #2: "We hold these truths to be self-evident, that all men are created equal, that they are endowed with certain unalienable rights, that among these are life, liberty, and the pursuit of happiness."	Translation _____	Translation B: Individuals have some basic rights that are obvious and should not be taken away. Freedom, for example, is one of those rights.
Excerpt #3: "[T]he secure these [basic] rights, governments are instituted among men, deriving their just powers from the consent of the governed..."	Translation _____	Translation C: We now consider ourselves to be an independent country.
Excerpt #4: "[T]hat whenever any form of government becomes destructive [in protecting rights and responding to the people], it is the right of the people to alter or abolish it, and to institute a new government..."	Translation _____	Translation D: There is proof that England had interfered with colonial rights; the King has not allowed laws that help colonists the most.
Excerpt #5: "The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object, the establishment of an absolute tyranny over these States."	Translation _____	Translation E: When one group of people is going to break away from a country to form its own nation, then they should explain why they are doing it.
Excerpt #6: "To prove [that England has interfered with colonial rights], let the facts be submitted to a candid world: he has refused to assent to laws the most wholesome and necessary for the public good."	Translation _____	Translation F: When a government is taking away the rights of citizens and is not doing what the people want, then the citizens have the right to change or replace the government.
Excerpt #7: "In every stage of these oppressions, we have petitioned for redress in the most humble terms; our repeated petitions have been answered only by repeated injury. A prince whose character is thus marked by every act which may define a tyrant is unfit to be the ruler of a free people."	Translation _____	Translation G: Every time we colonists felt we were being treated unfairly, we wrote the King. He answered by treating us more unfairly. A ruler who abuses his power should not be able to make us.
Excerpt #8: "We, therefore, solemnly publish and declare, that these united colonies are, and of right ought to be, free and independent states..."	Translation _____	Translation H: Governments are formed to make sure people's rights are protected. Government power should come from the people.
