

## Planning Of My Career Path

I am currently a first year student of bachelor of Business, here I hope to go on and study marketing in year two and finally progress to a masters. I have always had a keen interest in business, with it being my favourite subject throughout my school years. Business is a very wide course and through this course I have many different opportunities available to me afterwards. I especially have an interest in marketing and being a creative and hardworking person, as helped. In four years' time I will be graduating with an honours degree in Marketing and will progress onto a master's degree. I would love to work in the beauty sector, make-up and beauty are two keen interest of mine and something I'm passionate about. The beauty sector is constantly growing and changing, with new products being brought to the market all the time. In order, to be on top of this it's vital that marketers in this area are innovative and creative. I feel that this is an area that I want to see myself progress in and would love to find myself in a job working in the beauty sector. I feel my passion for make-up as well as beauty and my creative ideas, would really stand to me when in the search for a career in this industry. A brand I would like to see myself working with would be Urban Decay or Bare Minerals. Both of these brands are cruelty free and do not test on animals. I'm a firm believer in using natural and cruelty free products when it comes to cosmetics and beauty products, and this is also becoming a growing demand among consumers today. According to a Plant Based News, buyer searches for 'cruelty-free', 'plant-based', and 'vegan' beauty products on the Hubba platform increased by 40 percent in 2017 and 'are expected to continue to grow into 2018 as retailers race to attract and retain customers'. In order to get to where I want to be in my first year of college, I'm studying a variety of business modules and electives. This gives me the

proves to be my dark protector With every stolen kiss I fall harder for the man who should be my most fearsome enemy If our families discover our relationship we ll both suffer painful consequences Our love could be our ruin      **Write Yourself In**

Eric Tipler,2024-06-11 Write authentic memorable college essays that will help you get into the right school for you with this guidebook from a veteran college admissions expert Every spring over one million high school juniors embark on an annual rite of passage applying to college And with college admission rates at an all time low getting into a competitive school is now tougher than ever At the top schools a strong transcript and great test scores will get your application noticed but it s your essays and the personal story that they highlight that will get you admitted But often students don t know where to start Teens fret over topics because they don t know what college admissions officers are looking for They bend over backwards to write what they think colleges want to read instead of telling their authentic story which is what admissions officers actually want in a way that will resonate with their readers They also struggle because college essays which are narrative first person and introspective require a different set of skills from academic expository writing they ve been learning for years in the classroom Seasoned college admissions expert and educator Eric Tipler has seen this firsthand Teens and their parents spend countless anxiety filled hours crafting and refining essays that are often lackluster In *Write Yourself In* Tipler meets students where they are and provides comprehensive actionable advice in a warm and conversational tone He demonstrates how to craft a winning essay one that is authentic vulnerable and demonstrative of qualities like personal growth and emotional maturity Instead of formulas *Write Yourself In* gives students step by step processes for brainstorming outlining writing and revising essays It encourages them to seek out feedback at key points in the process something Tipler has found to be vital to helping students produce their best writing Further the book includes sidebars that teach essential components of good storytelling a secret weapon in the admissions process In addition to the admissions essay *Write Yourself In* also covers the most common supplemental essays on topics like community diversity openness to others viewpoints and why their school is a good fit for the student scholarship essays as well as scholarship essays Tipler includes sections that address current topics like the widespread use of ChatGPT and the discussion of race in the admissions essay a facet of the student s application that will have newfound importance given the Supreme Court decision on affirmative action Written with both the parent and teen in mind *Write Yourself In* is the go to handbook for writing a great college essay      *Forensic Laboratory Management*

W. Mark Dale,Wendy S. Becker,2014-09-26 New technologies including DNA and digital databases that can compare known and questioned exemplars have transformed forensic science and greatly impacted the investigative process They have also made the work more complicated Obtaining proper resources to provide quality and timely forensic services is frequently a challenge for forensic managers who are often promoted from casework duties and must now learn a whole new set of leadership skills The interdisciplinary and scientific nature of laboratories requires strong leadership ability to manage complex issues often in adversarial settings *Forensic Laboratory Management Applying Business Principles* provides

laboratory managers with business tools that apply the best science to the best evidence in a manner that increases the efficiency and effectiveness of their management decision making The authors present a performance model with seven recommendations to implement illustrating how forensic managers can serve as leaders and strategically improve the operation and management in scientific laboratories Topics include Key business metrics and cost benefit analyses Ethical lapses why they occur possible motives and how problems can be prevented Forensic training education and institutes ISO IEC 17025 accreditation implementation The book includes case studies simulating a working laboratory in which readers can apply business tools with actual data reinforcing discussion concepts Each chapter also includes a brief review of current literature of the best management theories and practice The downloadable resources supply two mock trial transcripts and associated case files along with PowerPoint slides from Dr George Carmody s workshop on Forensic DNA Statistics and Dr Doug Lucas s presentation on ethics
