Nathan In The Kingdom Of God:

Nathan In The Kingdom Of God Sharon Harper, 2015-09-19 Nathan reads his Bible one night and reads Matthew 6 31 where Jesus tells us to seek first the Kingdom of God and His righteousness Nathan misunderstood how he was to seek the Kingdom of God and set out the next morning unknown to his parents to look for the Kingdom of God **Nathan's Oracle (2 Samuel 7) and Its Interpreters** Michael Avioz, 2005 This book offers a new analysis of Nathan's Oracle in 2 Samuel 7 and its echoes in the books of Samuel Kings and Chronicles First it deals separately with the main issues raised in 2 Samuel 7 the disqualification of David as temple builder and the nature of the Divine promise made to him that the House of David will rule forever In dealing with both elements similar texts from the Ancient Near East are consulted After a thorough analysis of these two elements an intertextual study is offered in which the allusions to Nathan's Oracle in the Books Samuel Kings and Chronicles are discussed The purpose is to define the various functions of these allusions or echoes This evaluation takes into account the changing circumstances of the Davidic dynasty as well as the different agendas of the books in which Nathan's Oracle is incorporated in *The Kingdom of God and the Yellow Barn Church* Doug Hickerson, 2006 All his life author Doug Hickerson repeated Thy Kingdom come in the Lord's Prayer Yet God's kingdom seemed irrelevant to him even as a seminary student and a church layman Hickerson was a liberal Protestant active in a mainline denominational church and in community causes He became curious about spiritual paths to God beyond the Church While in his midfifties and still active in his church he started a spiritual journey that included exploring other religions and spirituality Steeped in the popular New Age spirituality of the 1990s he wrote about the coming new millennium He felt that humankind was evolving spiritually and was headed for an enlightened utopia the Age of Aquarius His humanistic visions ended abruptly when he met families who belonged to the yellow barn church in his village In their fellowship it became clear that God not man is in control and lovingly rules our destiny He awakened to the Kingdom of God present now on earth with its fulfillment yet to come At age sixty eight Hickerson's life changing experience in the evangelical Church and in God's kingdom is deeply personal and grounded in the Bible and solid theology The warm and at times humorous narrative in *The Kingdom of God and the Yellow Barn Church* details God's providence and promptings over Hickerson's lifetime *The Kingdom of God* Riaan Engelbrecht, 2023-01-19 If we seek to find life we need to walk in the Kingdom of Life Believers are progressively becoming more wrapped up in church activity which is in essence mere captivity to religion Religion blinds us to the truth for it cages us in traditional and worldly ways Throughout the life of Jesus He only preached Kingdom Nothing else In the Lord's Prayer methods service modules and gender inequality have absolutely nothing to do with Kingdom Just so in Matthew 6 as Jesus taught about praying for the Kingdom to come He also included in His teaching verse 33 about seeking the Kingdom and His righteousness implying walking in His Ways then the rest will be added life hope joy and strength and spiritual prosperity We need to seek the Kingdom above all else but we can only walk in the manifested reality and glory of the Kingdom once we

walk by Spirit implying surrendering first our kingdom laying down our crown and denying the Self If we seek His Kingdom then our kingdom our ways agendas ideas needs to die as well What we believe to be truth or the right way or the correct path needs to be surrendered as we seek the true way of the Lord which is the Way of the Kingdom Jesus said He is the Way Truth and Life meaning He is the WAY of the Kingdom and if we seek the Kingdom then we need to follow the Lord Jesus in Spirit and Truth If we seek His Kingdom we find His path is one of righteousness of love and peace but also of order of right and wrong and of purity

Kingdom People Living by Kingdom Principles Dr. Dalton Jenkins, 2013-07-08 We do not have to travel to some foreign country to locate the mission field Right here literally in our backyards the world has come to us The church's basic mission is to preach the gospel of the kingdom of God this message has social and political aspects to its application This is the fundamental responsibility of the church This message is holistic and affects the total person As the church develops a comprehensive and practical understanding of missions this will propel Christians to act out their missional call The challenge as to how to be truly missional requires those people considered to be disciples to engage their communities in their everyday lives To capture the full essence of missions this book introduces a

process called strategic evangelism This process serves to raise awareness by helping to clarify the nature of the structures and practices of the church relating to its missional focus to develop a better awareness of local missions and to introduce a process that will assist people to live out the mission by engaging their communities **God's Kingdom through His Priest-King** J. Alexander Rutherford, 2019-05-24 Though many studies have probed the significance of the Davidic Covenant 2 Sam 7 1 17 within the biblical canon few have endeavoured to explore its significance within the narrative of Samuel This thesis argues that by weaving references to God s promises made to David collectively known as the Davidic Covenant throughout his narrative that author of Samuel reveals God s will to strip away all human pretension by bringing His promises to fulfillment through the lowly David whose ascension to kingship and endurance therein is owing all to God In this way the author fulfills his purpose to demonstrate God s sovereign working in history to establish His kingdom on earth through His chosen priest king a descendant of David in fulfillment of the promises He made beforehand Engaging in a literary close reading of the text of Samuel the author shows how the narrative of Samuel is shaped towards this end
