ELECTRONIC PRINCIPLES

A glowing, square microchip is the central focus, resting on a dark blue background filled with intricate, golden circuit traces. The chip itself has a metallic, reflective surface with a bright yellow-orange glow emanating from its center. The circuit traces are also glowing with a similar light, creating a sense of energy and connectivity. In the background, some faint, stylized text like 'D1', '5F376', '9', and 'COAD' is visible, suggesting a technical or digital theme.
