Exposed Encounters In Paris Book 1

**Louis-Philippe-Albert d'Orléans comte
de Paris, Louis Fitzgerald Tasistro**

Exposed Encounters In Paris Book 1:

Encounters between Jesuits and Protestants in Asia and the Americas Jorge Cañizares-Esguerra, Robert Aleksander Maryks, Ronnie Po-Chia Hsia, 2018-08-13 The present volume is a result of an international symposium on the encounters between Jesuits and Protestants in Asia and the Americas which was organized by Boston College's Institute for Advanced Jesuit Studies at Boston College in June 2017 In Asia Protestants encountered a mixed Jesuit legacy in South Asia they benefited from pioneering Jesuit ethnographers while contesting their conversions in Japan all Christian missionaries who returned after 1853 faced the equation of Japanese nationalism with anti Jesuit persecution and in China Protestants scrambled to catch up to the cultural legacy bequeathed by the earlier Jesuit mission In the Americas Protestants presented Jesuits as enemies of liberal modernity supporters of medieval absolutism yet master manipulators of modern self fashioning and the printing press The evidence suggests a far more complicated relationship of both Protestants and Jesuits as co creators of the bright and dark sides of modernity including the public sphere public education plantation slavery and colonialism

Music, Travel, and Imperial Encounter in 19th-Century France Ruth Rosenberg, 2014-09-19 This book considers the activities and writings of early song collectors and proto ethnomusicologists memoirists and other musical travelers in 19th century France Each of the book's discrete but interrelated chapters is devoted to a different geographic and discursive site of empire examining French representations of musical encounters in North America the Middle East as well as in contested areas within the borders of metropolitan France Rosenberg highlights intersections between an emergent ethnographie musicale in France and narratives of musical encounter found in French travel literature connecting both phenomena to France's imperial aspirations and nationalist anxieties in the period from the Revolution to the late nineteenth century It is therefore an excellent research tool for scholars in the fields of ethnomusicology musicology cultural studies literary history and postcolonial studies
