The Forever Man James Colson, 2015-02-20 In ages past the Templar Knights were the only true force for good battling evil in the hope that man would move into a time of enlightenment Frustrated that they were making the same mistakes generation after generation a plan was devised Tapping into a base magic that was used during the time of creation the Templars extended the life of one of their order to become their teacher and guide their Forever Man This knight s name was Lecturo Always well protected evil could not touch him and the power of Light started to make great advancements over evil If the darkness could not kill him they did the next best thing During the Christmas Festival they placed a powerful drug in his wine When a toast was called for to honor the birth of Christ Lecturo s mind was wiped of memories What good was a teacher that could not even remember his own name Generations past before Lecturo finally started to regain some of his memories and remember who and what he was Once again the Templar Teacher Lecturo formed a new team of good hearts and pure souls to again battle evil wherever it tried to change the course of man away from the path of the Light **WARP,**

a person and that soul leaving that person at the death of the person makes it impossible for Christ to have give His life to save that soul from death if a soul had immortality it would already have life and could never not have life all Christ could do is give it a reward or punish it **Forever Misplaced** Heather Michelle,2022-08-15 Kody always knew she was different and not just because she grew up in a home for troubled foster kids If that was her only issue she would have fit right in Instead she smothers herself in foundation to cover the green swirls that show up on her brown skin in the sun and styles her hair with care every morning to hide the odd shape of her ears But these are the least of her problems when Kody suddenly finds herself yanked out of reality and dropped into the set of a renaissance fair where no one speaks her language Join her as she tries to find her way home in Forever Misplaced
