- Black women preferred to devote more time to their families
- Men considered it a badge of honor to see their wives remain at home
- Poverty of the black community would compel a far higher proportion of black women than white women to go to work for wages

Church and School:

- Blacks started creating churches of their own
- These churches also housed schools, social events, and political gatherings
- Many blacks went to schools established by northern missionary societies, Freedman's Bureau and groups of ex-slaves
