Randall Blythe,2015-07-14 Lamb of god vocalist D Randall Blythe finally tells the whole incredible story of his arrest incarceration trial and acquittal for manslaughter in the Czech Republic over the tragic and accidental death of a concertgoer in this riveting gripping biting bold and brave memoir On June 27 2012 the long running hard touring and world renowned metal band lamb of god landed in Prague for their first concert there in two years Vocalist D Randall Randy Blythe was looking forward to a few hours off a rare break from the touring grind in which to explore the elegant old city However a surreal scenario worthy of Kafka began to play out at the airport as Blythe was detained arrested for manslaughter and taken to Pankr Prison a notorious 123 year old institution where the Nazis torture units had set up camp during the German occupation of then Czechoslovakia and where today hundreds of prisoners are housed awaiting trial and serving sentences in claustrophobic sweltering nightmare inducing conditions Two years prior a 19 year old fan died of injuries suffered at a lamb

of god show in Prague allegedly after being pushed off stage by Blythe who had no vivid recollection of the incident Stage crashing and diving being not uncommon occurrences as any veteran of hard rock metal and punk shows knows the concert that could have left him imprisoned for years was but a vague blur in Blythe s memory just one of the hundreds of shows his band had performed over their decades long career At the time of his arrest Blythe had been sober for nearly two years having finally gained the upper hand over the alcoholism that nearly killed him But here he faced a new kind of challenge jailed in a foreign land and facing a prison sentence of up to ten years Worst of all a young man was dead and Blythe was devastated for him and his family even as the reality of his own situation began to close in behind Pankr Prison s glowering walls of crumbling concrete and razor wire What transpired during Blythe s incarceration trial and eventual acquittal is a rock n roll road story unlike any other one that runs the gamut from tragedy to despair to hope and finally to redemption While never losing sight of the sad gravity of his situation Blythe relates the tale of his ordeal with one eye fixed firmly on the absurd and at times bizarrely hilarious circumstances he encountered along the way Blythe is a natural storyteller and his voice drips with cutting humor endearing empathy and soulful insight Much more than a tour diary or a prison memoir Dark Days is D Randall Blythe s own story about what went down before during and after told only as he can
