an expanded range of commercial electronic communications have become available and there is evidence that some foreign jurisdictions have lowered the barriers to doing business on the Internet. These trends, and the ability to reach new markets, are likely to encourage more firms to enter the Internet market.

How is your small business performing?
What is doing well? Is there a problem?
What are you doing to fix it?

► A PROBLEM Many authors find prices seem to fit a power-law, not an exponential, law. That means that longer and longer lengths have only small, not great, increases in price. For example, a 100-m-long cable costs only 10% more than a 10-m-long cable.
