Genesis By Bernard Beckett:

Genesis Bernard Beckett, 2011-11-29 A brilliant and chilling dystopia for a new generation in the tradition of Brave New World Explain to us why you wish to enter The Academy Anaximander a young Academy candidate is put through a gruelling exam Her special subject the life of Adam Forde her long dead hero It s late in the 21st century and the island Republic has emerged from a ruined plague ridden world its citizens safe but not free and living in complete isolation from outside contact Approaching planes are gunned down refugees shot on sight Until a man named Adam Forde rescued a girl from the sea Anaximander we have asked you to consider why it is you would like to join the Academy Is your answer ready To answer that question Anaximander must struggle with everything she has ever known about herself and her beloved Republic s history the nature of being human of being conscious and even what it means to have a soul And when everything has been laid bare she must confront the Republic s last great secret her own surprising link to Adam Forde and the horrifying truth about her world

Genesis Bernard Beckett, 2010-05-11 A thought provoking tale of the future set on an isolated island fortress The ending is an absolute mind blower Booklist Anax thinks she knows history She has studied the stories of the distant twenty first century very diligently Her grueling all day examination has just begun and if she passes she ll be admitted into the Academy the elite governing institution of her utopian society But Anax is about to discover that for all her learning the history she s been taught isn t the whole story And the Academy isn t what she believes it to be In this brilliant and suspenseful novel Anax s examination leads us into a future where we are confronted with unresolved questions about technology and humanity artificial intelligence and the nature of consciousness A philosophical inquiry of sorts into a favorite and time tested conundrum Can a machine achieve consciousness and if so what should its relationship with its creators be The Wall Street Journal

Antipodean Antiquities Marguerite Johnson, 2019-03-21 Leading and emerging early career scholars in Classical Reception Studies come together in this volume to explore the under represented area of the Australasian Classical Tradition They interrogate the interactions between Mediterranean Antiquity and the antipodean worlds of New Zealand and Australia through the lenses of literature film theatre and fine art Of interest to scholars across the globe who research the influence of antiquity on modern literature film theatre and fine art this volume fills a decisive gap in the literature by bringing antipodean research into the spotlight Following a contextual introduction to the field the six parts of the volume explore the latest research on subjects that range from the Lord of the Rings and Xena Warrior Princess franchises to important artists such as Sidney Nolan and local authors whose work offers opportunities for cross cultural and interdisciplinary analysis with well known Western authors and artists

August Bernard Beckett, 2011 Trapped in a car wreck upside down bleeding and in pain Tristan and Grace are staring at death When dawn breaks they might be seen from the road and rescued or not They wait desperately holding onto life unravelling the sequence of events that brought them together Tristan is a philosopher struggling with the question of free will Grace s life of hardship allows no

place for such ideas But a brief encounter changes their lives setting them on a collision course with love and death and each other Al Bidaya (Genesis- Arabic Edition) Bernard Beckett,2015-05-21 Fourteen year old Anax thinks she knows her history She d better She s sat facing three Examiners and her five hour examination has just begun The subject is close to her heart Adam Forde her long dead hero In a series of startling twists Anax discovers new things about Adam and her people that question everything she holds sacred But why is the Academy allowing her to open up the enigma at its heart

Lullaby Bernard Beckett,2015-05-27 Rene s twin brother Theo lies unconscious in hospital after a freak accident left him with massively disrupted brain function There is hope though An experimental procedure risky scientifically exciting and ethically questionable could allow him to gain a new life But what life and at what cost Only Rene can give the required consent And now he must face that difficult decision But first there is the question of Rene s capacity to make that decision And this is where the real story begins Bernard Beckett is a multi award winning author of books and plays for young adults and one of New Zealand s most outstanding writers In 2006 Bernard was awarded a fellowship for a project examining DNA mutations This new direction in his life led to the publication of the sophisticated sci fi novel Genesis which has since been published in over twenty countries and was the winner of the 2010 Prix Sorcieres He lives near Wellington with his wife and twin sons Lullaby is an amazingly complex novel exploring the nature of identity and shared memories as well as how we shape the story of ourselves The questions it raises stay with the reader for a long time after the book is finished New Zealand Herald This book is promoted as Young Adult but many older adults will enjoy it too Clever and thought provoking BookMooch It was incredible The complexity of the storyline was nothing short of delicious and encouraged that deep emotional thinking that is lacking in the majority of young adult novels Diva Booknerd It is a rare kind of young adult book that aims to leave the reader with more than just the usual afterthoughts of the story Beckett encourages the reader on his or her own philosophical journey Book Kat This is a fascinating exploration of the notion of self how far people will go to save those they love and what scientists will do to advance their research Well worth reading and when you ve finished let me know what you thought of the end because I m dying to discuss it Nicole Has Read Blog This book is a beautiful example of a thought experiment with characters you feel for and stories that you enjoy every moment of Booksellers NZ Lullaby is very eerie science fiction which in the telling of the story discusses the dilemmas that medicine could find itself in when the desire to break new frontiers clashes with ethical principles Confronting terrifying and challenging Reading Time Bernard Beckett s biggest strength isn t that he is able to convey high minded sci fi concepts to his usual audience of young adult readers it is the power of the concepts themselves It s exciting to see a recent scientific concept such as the connectome a map of neural connections in the brain used to drive dramatic tension and ask big questions Cosmos *The Philosophy Foundation* Peter Worley,2012-09-30 Imagine a one stop shop stacked to the rafters with everything you could ever want to tap into young people s natural curiosity and get them thinking deeply Well this is it Edited by professional philosopher Peter Worley from

The Philosophy Shop and with a foreword by Ian Gilbert this book is jam packed with ideas stimuli thought experiments activities short stories pictures and questions to get young people thinking philosophically Primarily aimed at teachers to use as a stimuli for philosophical enquiries in the classroom or even as starter activities to get them thinking from the off it can also be used by parents for some great family thinking or indeed anyone fed up of being told what to think or urged not to think and who wants a real neurological workout The proceeds of the book are going towards The Philosophy Foundation charity
