heart of their targeting operations spaces which had previously been exclusively for generals and commanders These professionals trained and hired to give legal advice on an array of military operations have become known as war lawyers The War Lawyers examines the laws of war as applied by military lawyers to aerial targeting operations carried out by the US military in Iraq and Afghanistan and the Israel military in Gaza Drawing on interviews with military lawyers and others this book explains why some lawyers became integrated in the chain of command whereby military targets are identified and attacked whether by manned aircraft drones and or ground forces and with what results This book shows just how important law and military lawyers have become in the conduct of contemporary warfare and how it is understood Jones argues that circulations of law and policy between the US and Israel have bolstered targeting practices considered legally questionable contending that the involvement of war lawyers in targeting operations enables legitimises and sometimes even extends military violence

Turkey and EU Integration Çigdem Nas,Yonca Özer,2017-05-18 What has been achieved regarding Turkey s efforts at integration to the EU and what obstacles remain to it achieving full membership Like other developing countries Turkey displays visible signs of advancement with rapid increases in living standards greater mobility and the rapid spread of technology Much of its legislation and political economic and administrative systems are also now aligned to the EU and this process has undoubtedly contributed to democratization and modernization At the same time problems in politics and society persist the Gezi protests limitations of freedom of expression frequent occupational accidents in the mining and construction sectors honour killings and political upheaval which has manifested itself most starkly with the recent coup attempt all call attention to the challenges facing a country in the process of change Charting the political legal and economic relations between Turkey and the European Union since 1959 this book explores the relationship through phases such as association customs union and candidacy Each chapter covers a particular period in the relations and or a theme which has both current and overall relevance to the conduct of the relations In this way the authors examine the impact of the EU in affecting change what has been achieved and the obstacles that remain

Creating Engaging Discussions Jennifer H. Herman,Linda B. Nilson,2023-07-03 If you have ever been apprehensive about initiating classroom discussion fearing silences the domination of a couple of speakers superficial contributions or off topic remarks this book provides strategies for creating a positive learning experience Jennifer H Herman and Linda B Nilson demonstrate how to create the conditions to facilitate deep and meaningful learning as well as to assess the effectiveness of discussions They identify analyze and solve common problems in both classroom and online discussions and in both small and large classes They take a direct practice oriented approach that in acknowledging common challenges provides principles guidance on design examples of activities and techniques and eight detailed case studies These cases demonstrate successful approaches that faculty across disciplines and from a variety of institutions have adopted in their face to face blended or online courses at the undergraduate or graduate level The case authors begin by describing the original pedagogical challenge they faced and explain how they

addressed it and assessed the results of their innovation They also offer practical recommendations to readers who may want to try their strategies Intended for faculty this book will be equally valuable for educational developers who can use this resource in their programs and private consultations At the graduate level this book can serve as a text or workshop resource in college teaching courses and teaching assistant development programs The final chapter provides a set of resources and activities including discussion questions on the case studies writing prompts and jigsaw formats that are equally appropriate for individual study or for use in workshop environments You ll never again have to suffer such a profound silence that as described by a contributor to the book she could hear the crickets chirping outside **The Rural New-Yorker** ,1923
