Problem-solving and Thinking Skills Resources for Able and Talented Children Barry Teare,2006-07-06 This treasure trove of resources is divided into ten themed sections each preceded by an outline giving the key principles links with curriculum guidelines and an explanation about the importance of the particular skill Charts at the beginning of the book summarize curriculum links and skills involved Each photocopiable activity is accompanied by teachers notes and fully explained solutions are given where appropriate *British Museum Catalogue of Printed Books* ,1893 **The Bookseller** ,1921 **The Athenaeum** ,1907 *Athenaeum and Literary Chronicle* ,1850 *Athenaeum* ,1872 **The Journal of Education** ,1921 *Hollywood or History?* Lisa K. Pennington,Donna Fortune,Mary E. Tackett,Paige Horst,Meghan A. Kessler,2024-09-01 Teaching and learning through Hollywood or commercial film and television productions is anything but a new approach and has been something of a mainstay in the classroom for nearly a century However purposeful and effective instruction through film is not problem free and there are many challenges that accompany classroom applications of Hollywood motion pictures In response to the problems and possibilities associated with teaching through film we are developing a collection of practical classroom ready lesson ideas that might bridge gaps between theory and practice and assist teachers endeavoring to make effective use of film in their classrooms We believe that film can serve as a powerful tool in the social studies classroom and where appropriately utilized foster critical thinking and civic mindedness The NCSS College Career and Civic Life C3 framework represents a renewed and formalized emphasis on the perennial social studies goals of deep thinking reading and writing We believe that as teachers endeavor to digest and implement the platform in schools and classrooms across the country the desire for access to structured strategies that lead to more active and rigorous

investigation in the social studies classroom will grow increasingly acute Our hope is that this edited book might play a small role in the larger project of supporting practitioners specifically K 6 teachers of social studies content by offering a collection of classroom ready tools based on the Hollywood or History strategy and designed to foster inquiry through the careful use of selected motion pictures and television productions

Carceral Worlds Hanneke Stuit,Jennifer Turner,Julienne Weegels,2024-07-25 We live a world in which the number of prisons is growing and experiences of incarceration are increasingly widespread Carceral Worlds offers a necessary and timely contribution to understanding these carceral realities of the globalized present The book asks how the carceral has become so central in life how it manifests in different geographical locations and finally what the likely consequences are of living in such a carceral world Carceral Worlds focuses on carceral practices experiences and imaginaries that reach far beyond traditional spaces of confinement It shows the lasting effects of colonial carceral heritage the influence of prison systems on city management and the entrapping nature of digital infrastructures It also discusses new urbanized forms of migrant detention the relation between prisons and homelessness the use of carceral metaphors in the everyday and the carceral implications of the uneven distribution of climate risk across the globe The volume brings together work from scholars across the world and from a variety of disciplines in the social sciences and humanities offering a fresh approach to the carceral as a central vector in modern life

Coyote Country Arnold E. Davidson,1994 For most North Americans Canadians as well as Americans the term Western evokes images of the frontier brave sheriffs and ruthless outlaws good cowboys and bad Indians As Arnold E Davidson shows in this groundbreaking study a number of Canada s most interesting and experimental Western writers parody reverse or otherwise defuse the paraphernalia of the classic U S Western Lacking both a real and imagined frontier Canadian settlers rode trains into the new territory already policed by Mounties the writers of Canadian Westerns were set a different task from their American counterparts and were subsequently freed to create some of the most complex and engrossing fiction yet produced in Canada Davidson details the evolution of the U S and Canadian Western forms tracing the divergence between the two as Canadian writers responded to their unique historical circumstances by reinventing the West as well as the Western and establishing a new literary landscape where author and reader could work out new possibilities of being Surveying a range of texts by Canada s most innovative writers with special attention to women writers and Native stories of Coyote he provides close readings of novels by Howard O Hagan Sheila Watson Robert Kroetsch Aritha van Herk Anne Cameron Peter Such W O Mitchell Beatrice Culleton and Thomas King A unique study Coyote Country offers at one and the same time a theory of Canadian Western fiction a history of crosscultural paradigms of the West as manifested in novels and an intensive reading of some of Canada s best literature
