John The Youngest Apostle S Testimony:

John Jim Hastings, 2023-11-09 John was the youngest man to be selected by the LORD to be one of His twelve Apostles yet he was also the longest living of the twelve When John picked up his pen to write this Gospel all the other Apostles were with the LORD in heaven all the books of Matthew Mark Luke Peter Paul and Jude were completed and circulating as Scripture among all the Churches Shortly before his death in the last decade of his life John wrote this Gospel his three small letters and the Revelation Matthew Mark and Luke are called the synoptic Gospels because they basically tell the same information about the same events Matthew writes for himself Mark writes the eyewitness account of Peter and Luke writes the eyewitness account of Paul Each brings different memories of the same events in the LORD s life We are thankful for John s Gospel because he brings memories of the LORD s life that are not found in the three other Gospels and are important to the Church John fills in the gaps between all the stories in the synoptic Gospels Besides providing enlightening commentary to the Scriptures found in the Gospel of John where John jumps over material found in synoptic Gospels Dr Hastings includes 36 charts to show all the events found in the synoptics but not included in this Gospel By harmonizing the four Gospels in this way we have a complete story of the LORD s ministry chronologically and can trace the LORD s footsteps across the Promised Land The chapters in this commentary match the chapters in your Bible Think of this commentary as a Study Bible for the Gospel of John

THE TESTIMONY OF JOHN: 1907 Biblical Study Notes on the Gospel of John George N.H. Peters, 2017-01-01 From cover to cover conception to completion this book is about Jesus It addresses and answers the fundamental question of His identity and mission The book never waivers from this original purpose and structure Who better to inform us of Jesus than John the disciple whom Jesus loved the person to whom Jesus often confided in and to whom He ultimately entrusted with His own future Revelation And who better to expose these truths than Mr George N H Peters gifted Bible teacher and faithful steward of the Word of God throughout his lifetime Composed in the form of study notes the author directs attention away from modern mystical interpretations of this Gospel towards what John intended to accomplish i e confront the reader with the predicted Messiah Jesus and in so doing provide reasons to believe and through believing find the very promise of eternal life John calls this work his testimony like a witness pleading before a jury of his peers he lays out a selection of evidence He claims that he could easily have written volumes but these things he wrote so that the reader might believe The beauty of this book lies in the evidence John chooses to put forth the impact of the book slightly over 100 years old stems from the ability of Mr Peters to point out these things and then allow the testimony to speak for itself Over the last century many able men and women have undertaken to expound the Gospel of John The reader will not find a more plainly written account than what Mr Peters penned during the last years of his life Lives of the Apostles of Jesus Christ David Francis Bacon, 1836 **Memoirs of John R. Miracle Of The Twelve The Apostles Share Their Testimonies Donna Phillips, 2018-09-10 No one but Jesus would entrust His Twelve to go into the entire world to reveal the good news of the Kingdom of Heaven What a high calling and what a mixture of culture background schooling and beliefs there were among these men a tax collector fishermen an assassin seekers of truth all in one close knit group who were together twenty four hours a day and seven days a week It could not have been easy but little by little they bonded into a united flock as they listened to Him and followed their Shepherd every day witnessing miracles too numerous to count Their vision was transforming them to embrace their future and those who distrusted each other became friends and those who were hesitant were drawn in In this Bible based fictional account we watch as these men walk with Jesus and see the miraculous every day Yet there were also various obstacles to pierce and prod them and their tempers flared and their hearts repented as they journeyed through the process of becoming united into one heart and one mind for the Kingdom of Heaven Gradually His Word of Life became the very core of their character and their dedication commitment and fiery love for the Kingdom became a powerful force leaving behind them an eternal bold blaze of glory to shine for all eternity Not including Judas Iscariot Perhaps the transformation of the Twelve was His greatest miracle of all

My Neighbor John Paul Feinberg,2020-05-19 Who is this kindly spiritual and mysterious man that has lived in the community for so many years Popular in the church as well as among the community he seems to play a part in many lives always willing to help out volunteer or be a good sounding board In fact John Barzeb s fishing store as a rule caters to both friends and customers often indistinguishable at its cozy lakeside location John s strivings within the church and town have been perceived to be unselfish and peaceful as a rule but suddenly something has changed with this familiar neighbor Young Samuel Bodden is an eight year old boy who enjoys the world in which he is growing up including school and church life his friends and his interests He has a fascination with science in particular and has recently become enthused about the discoveries made in the field of biblical archaeology His friendship with John was a natural one where despite the age difference Samuel felt always to be in a very pleasant friendship mentoring mode Then one day Mr Allen the local farmer delivers a closing prayer that greatly upsets young Samuel causing him to literally run to John for help On the point of peaceful resolution Mr Allen then suddenly lashes out at Samuel evoking a response from John that no one expected First he orders Mr Allen to silence and then to report to the pastor s office In due time the church begins preparing for a debate ostensibly between faith and science and which promises to alter the course of the church Unknown details soon start to emerge about Mr Barzebof Jewish descent an expert in ancient Hebrew the brother of an actual martyr and full of impeccable Bible knowledge Who is this neighbor named John As I read the novel besides the unique plot twists I was impressed with the resources cited These resources will help open the reader s mind to a wider understanding of the truths of the Scriptures in a unique way As a Biblical researcher and explorer I have found that holy history can only be understood through the lens of Scripture because it is here that the accuracy of the Bible flourishes apart from the burdensome misinformation of so many man made traditions Dr Feinberg does a service to those who hold an unswerving allegiance to the truths presented on the pages of the Bible and to think all of this comes alive inside this book where a surprise ending awaits leaving the reader slightly mystified and happily wondering Dr Robert Cornuke of the BASE Institute In the President's Office Leonard John Nuttall,2007 As the private secretary to two LDS Church presidents the dedicated diarist L John Nuttall knew much about the inner workings of the church bureaucracy Brother Nuttall s tenure happened to be during

the raid as Presidents John Taylor and Wilford Woodruff hid from federal marshals intent on arresting polygamists A polygamist himself Nuttall could not approach his own children whom he had not seen for years when he saw them walk past the building where he was sequestered Not inclined to tell anecdotes or confide personal feelings to his diary Nuttall nevertheless kept meticulous records of business dealings political maneuvering private correspondence and leadership decisions He was a behind the scenes observer of the contentious probate settlement of Brigham Young s estate the Manifesto ending polygamy and the quest for statehood Occasionally he gave voice to some of the anger Mormons felt over non Mormon influence in Utah
