Johns Bad Day English Edition:

John Sinclair: Demon Hunter Volume 8 (English Edition) Jason Dark,2022-10-17 In the darkest corners of Paris shadows have begun to stir Peculiar creatures have arrived to take back Belphegor s land When John Sinclair wakes in the basement of the Louvre he must fight for his life or meet a traumatising fate to be shrunk and trapped for the entertainment of his greatest nemesis If only his friends could save him Will Mallmann meanwhile takes a well deserved break in the Bavarian Forest but not even the dead will let him rest The team had better be prepared for one hell of a ride be it involving walking skeletons a joyous wedding or a terrible tragedy

The Complete Works of John Milton: Volume VII ,2025-07-03 John Milton s Latin Defences are landmark texts in the history of English Civil War and Interregnum polemics Part of Oxford University Press s authoritative Complete Works of John Milton this is the first edition of the Latin Defences to be edited to modern standards of scholarship together with new translations into English which feature in easy to read facing pages It offers a rich exploration of the publishing history of these works and contextualises them in the political exchanges and republican thought of the mid seventeenth century The annotations are especially alert to Milton s controversial engagement with the writings of his adversaries and to his careful alignment of his tracts with the diplomatic objectives of the republican governments of the 1650s

Transnational and Interdisciplinary Approaches to Western American Culture Ángel Chaparro Sainz,2025-05-30 The book offers a diverse and rich picture of current research on the literature and culture of the American West The book privileges transnational and interdisciplinary approaches aiming to understand how Western iconography has moved well beyond both national limits and literary borders becoming nomadic A selection of internationally renowned experts on Western American studies will consider the literary and artistic representation of the complex interaction between the mythic dimension of the West and its real historical social and cultural features both inside American culture and as it converses with other cultures The book also addresses other cultural and artistic manifestations that interact overlap and interrelate with Western writing in complex often dialogic ways as exemplified by cinema art and comics and it also explores how different voices and or experiences have complicated and diversified the potential definitions of the American West

Research Methods for Reading Digital Data in the Digital Humanities Gabriele Griffin,2016-02-15 The first volume to introduce the techniques and methods of reading digital material for research Digital Humanities has become one of the new domains of academe at the interface of technological development epistemological change and methodological concerns This volume explores how digital material might be read or utilized in research whether that material is digitally born as fanfiction for example mostly is or transposed from other sources The volume asks questions such as what happens when text is transformed from printed into digital matter and how that impacts on the methods we bring to bear on exploring that technologized matter for example in the case of digital editions Issues such as how to analyse visual material in digital archives or Twitter feeds how to engage in data mining what it means to undertake crowd sourcing

big data and what digital network analyses can tell us about online interactions are dealt with This will give Humanities researchers ideas for doing digitally based research and also suggest ways of engaging with new digital research methods

Key features First volume centred on the navigation and interpretation of digital material as research methods in the Humanities Up to date analyses of issues and methods including big data crowdsourcing digital network analysis working with digital additions Based on actual research projects such as para textual work with fanfiction reading twitter different kinds of distant and close readings

Delphi Collected Works of John Wyndham (Illustrated) John Wyndham, 2023-12-15

The sci fi writer John Wyndham produced innovative works examining the human struggle for survival when catastrophic natural phenomena suddenly invade a comfortable English setting. Wyndham's post-apocalyptic masterpieces established his name as a leading figure of science fiction literature. He was also a master of the short story, penning engaging tales of science fiction, satire, detective mysteries, and whimsical fantasy. His work went on to inspire numerous writers throughout the late twentieth century, including Margaret Atwood, Stephen King, and Alex Garland. This eBook presents Wyndham's collected works with numerous illustrations, rare tales, informative introductions, and the usual Delphi bonus material.

Version 1 Please note no known copies of Wyndham's first novel *The Curse of the Burdens* are available at the time of publication. Four novels cannot appear due to US copyright law: *The Day of the Triffids*, *The Chrysalids*, *The Midwich Cuckoos*, and *Trouble with Lichen*. When new works enter the public domain, they will be added to the collection as a free update.
