**Le Vicomte De Bragelonne (Complete)** Alexandre Dumas, 1921-01-01 , **Jean Danielou's Doxological Humanism** Marc Nicholas, 2013-07-25 Both Ephesians 4:11 and I Corinthians 12:29 attest to the distinctiveness of the roles of pastor and teacher and Nicholas claims that for the majority of recent history since the rise of Scholasticism this distinction has been strictly adhered to The rise of the Scholastic method within theological discourse radically transformed the way theology was envisioned from its bases and method to its purpose and sources This change had a far reaching effect on theology which would contribute to the discipline's self understanding Whereas theology was initially more of a meditation on and exposition of God's self disclosure in the Word in the new style of theological discourse practiced by the schoolmen theology increasingly became the methodical parsing of abstract truth which was dissociated from the concrete realities of an embodied Christianity However one need not maintain the possibility of distinct roles to the detriment of seeing both offices in a single individual Indeed the New Testament and the early Fathers consistently exhibit a complete naivete concerning such a divide The writers of the New Testament and the early Fathers were seen as complete personalities who were unable to envisage the separation of theology and spirituality Jean Danielou's *Doxological Humanism* is primarily a discussion of the ways in which academic theology can reacquaint itself with spirituality and the reasons it should Nicholas turns to the writings of Jesuit theologian historian and cardinal Jean Danielou and finds an understanding of who we are that necessitates this union Further for Danielou an essential aspect of this unified view of the human person is its doxological nature To attain the fullest expression of humanity is to participate in the adoration worship and contemplation involved in the life of prayer
